STRESSED AND ANXIOUS

Anthony

Anthony is the first of his family to attend college. He did well in high school, but college brings a whole new array of challenges, including being away from his physically disabled mother. Anthony sought out counseling through TimelyMD and was given the right tools to deal with his stress, and a referral into the counseling center.

WHAT COULD HAVE OCCURED?

Anthony became completely disengaged in his school work, stopped attending classes and dropped out of college due to stress and anxiety.

GENDER: Male **AGE**: 18
PRIMARY DRIVER: Needed help
