Directed by: ED HEABERLIN

Four mentally challenged men live under the supervision of an earnest, but increasingly "burned out" young social worker named Jack. Mingled with scenes from their daily lives, where "little things" sometimes become momentous (and often very funny) are moments when we are reminded that the mentally challenged want only to love, laugh and find some meaning and purpose in life.

! DUE TO ADULT SUBJECT MATTER AND VIOLENCE, CHILDREN WILL NOT BE PERMITTED TO SEE THE PRODUCTION.
