

CHILD DEVELOPMENT CENTER

Field Trip Information

Your child may have the opportunity to take a field trip on or off campus. It is important to understand that staff members and volunteers will accompany your child and they will not be held liable if an accident should occur. All parents/guardians are encouraged to participate in our field trips.

Your child will be given emergency care as needed, whether on a field trip or on the Center site if necessary.

Field trip notices will be posted at the Center before the trip is taken. It is your responsibility to read these notices when they are posted.

Water Play Information

Your child may have the opportunity to enjoy water play at school. Please send an extra set of clothing to be kept at school. During the summer months, you may be asked to send a bathing suit marked with your child's name using indelible ink. If your child is sun sensitive or you feel he or she needs protection from the sun, please send an appropriate sunscreen product marked with your child's name.

It would be greatly appreciated if you would donate an old towel for the use of the children.
