ESL COURSES

The ESL program at VVC offers a variety of credit and non-credit courses during the day and evening to help you develop your English listening, speaking, reading, writing and grammar skills. The courses you take depend on the skill level you place in after you take your ESL assessment exam. In addition, ESL Basic Computer Literacy courses are offered to help you learn how to use a computer and the internet for class assignments.

ESL SERVICES

- **ESL Orientation & Informational Sessions:** Learn about the different services, resources, financial aid, and ESL courses available at VVC.
- **Counseling:** Meet with a Bilingual Counselor to complete an ESL educational plan and to discuss educational and career goals.
- **Citizenship Class:** Take a free citizenship class to help you prepare for the Citizenship exam.
- **ESL Computer Lab:** After you enroll in ESL courses practice your English reading, writing, and speaking skills in the ESL Computer Lab.
