Transfer Students

General Information

- Per VVC Nursing program policy Transfer students will only be accepted into the 2nd and 3rd semesters of the program.
- The Nursing program will only allow a student to transfer if they have one or less failure or withdrawal in their previous Nursing program. Please note: If the student has a previous Nursing program failure or withdrawal, they are only allowed one additional failure or withdrawal in the VVC Nursing Program.
- There is a separate Transfer Application and timeline for submission under this entry option. (Contact information below for application availability and timeline for submission.)
- Students transferring into the VVC Nursing program will be required to meet any general education requirements applicable to the Nursing degree first before entering the Nursing program.
- Additionally, other Nursing program preliminary courses may need to be completed based on an assessment of nursing courses completed at the applicant's previous program.
- Placement into either the Spring or Fall semester will be based on the current placement policy outlined in the current Nursing Student Handbook.

Application Attachments

The following items will need to be submitted in their entirety or the application will not be forwarded for assessment:

1. Completed and signed Submission Materials from the Transfer Application.
2. Unofficial Transcripts of all courses completed that apply to the Nursing Degree.
3. Competencies/Skills Check-Off from all applicable courses completed at previous Nursing program.
4. Nursing course descriptions (copy of pages) from previously attended college catalog.
5. Letter from the Director of the previous Nursing Program that states the following:
 - a. Student left in "good standing"; and
 - b. Student did not fail in more than one portion of the program (theory or clinical); and
 - c. Student was not dismissed from the program due to any program or school health or safety policy.
6. Copy of proof of a TEAS V (or higher version) Result (62% or better)

If you need additional information on transferring into the VVC Nursing Program, please contact Paulette Ortiz, Administrative Secretary at 760-245-4271, Ext. 2285.
