**CREDIT BY EXAMINATION—STUDY GUIDES**

LVN to RN Students are advised to study the syllabi for the NURS 220, NURS 246, NURS 221 and NURS 222 challenge exams. The syllabi list objectives and outlines covering the content areas listed above. The syllabi objectives can be obtained from the instructors. See office for current instructors and contact information. **We have provided some guidelines, but it is ultimately the responsibility of the applicant to have or obtain the knowledge in order to study and potentially pass these exams. By applying for this entry option and submitting the Credit by Examination forms, you are stating you have the knowledge to pass these exams based on your education and experience as an LVN.**

**ADVISEMENT**

Be advised that the grades received for the Credit by Examinations will be recorded as official grades and will affect GPA until the course is subsequently taken and passed at a higher grade. Failure on a Credit by Exam for Nursing Core Courses (NURS 221 or NUR 222) will count as a program failure.
