I hereby elect to take the course listed above, for which I am presently enrolled, on a Pass/No Pass basis. I know that this decision is irreversible. This decision means that I shall receive a "Pass" (P) grade for the course if I complete it satisfactorily at what would be equivalent to a "C" or better grade and that I shall receive a "No Pass" (NP) grade if I fail to receive a "C" or better grade. The course will not be counted in my GPA (grade point average). I understand that "No Pass" (NP) is a factor in probation and dismissal. Refer to the College Catalog for more information.
