2014 – 2015 Victor Valley College Associated Student Body Goals

1. INCREASE NUMBER OF TRANSFER DEGREES
Recognizing students' need for educational advancement opportunities, the ASB Council requires the Office of Instruction to provide a fuller compliment of transfer degrees.

2. INCREASED ACCREDITATION AWARENESS
The ASB Council will ensure the student body has full knowledge of VVC’s accreditation status and its impact on VVC students.

3. ADDITIONAL COUNSELING RESOURCES
The ASB Council requests the Executive Vice President of Instruction and Student Services provide additional funding for counseling services.

4. ENHANCE WEB ACCESS
The ASB Council strongly urges the Vice President of Administrative Services to upgrade campus Wi-Fi coverage and to stabilize access to WebAdvisor during peak periods.

5. MORE SCHOLARSHIPS
To maximize the potential for student success, the ASB Council will award 50% more Merit, Service, and Transfer scholarships, as well as generate campus-wide scholarship awareness.

6. IMPLEMENT EARLY ALERT SYSTEM FOR AT-RISK STUDENTS
The ASB Council requests the Dean of Student Services to create an early alert system to engage, track, and retain students.

7. GREATER STUDENT ENGAGEMENT
The ASB Council will enhance student engagement by implementing the use of social media platforms such as:

- Student Driven Events Calendar
- Digital Media Publications
- Facebook, Twitter, Instagram, and Applications

Adopted: July 24, 2014
8. INCREASE STUDENT INTERNSHIP OPPORTUNITIES
The ASB Council requests the Executive Vice President of Instruction and Student Services develop strategic partnerships with business and community-based organizations to increase internships which promote student professionalism and career development.

9. DEVELOP GREEN INITIATIVE
The ASB Council requests the President's Cabinet to develop policies and procedures for the VVC Green Initiatives through:
- Fostering a culture of sustainable awareness and action
- Monitoring and reducing waste of all campus operations and activities

10. FOOD PANTRY RESOURCE ACCESS
The ASB Council recognizes the growing student need for consumable resource availability, and will prepare a system of referrals and install partnerships with community-based providers, organizations, and pathways.

11. IMPROVE SPORTS FACILITIES
The ASB Council strongly encourages the Superintendent/President to enrich our physical education curriculum by refurbishing outdated sports facilities and adding state-of-the-art fitness equipment.

12. INCREASE STUDENT PARTICIPATION
The ASB Council will increase the student participation on campus by:
- Creating more clubs
- Promoting club involvement
- Acknowledging club success

Adopted: July 24, 2014
