Career/Transfer Services

Victor Valley College provides current information to ensure a smooth transition to four-year colleges. The Career/Transfer Services is designed to provide interaction with four year institutions for those students who wish to continue their education. Appointments with four-year college representatives are available.

There are a variety of books, resources, and computer assessments to determine a career goal. Students can conduct computerized resumes and job searches.

Additional Services

Web Advisor is available for students to print out class schedule, check their grades, add/drop classes, search for classes or get an unofficial copy of their transcripts.

Admissions & Records:

- Assist students, staff, and the public & provide information concerning admissions.
- Assist student in correct procedures for completion of application for admissions, graduation, certification and other enrollment material.

Computerized Programs

Eureka: Multifaceted career information program based on California Labor Market information. This site includes particulars on careers, college majors, educational programs, sources of financial aid, and job search methods.

Career Zone (www.cacareerzone.com).

Provides assessment, career and job exploration.

Resources

Books: Careers, resumes, entrance exams, job search, multi-cultural options, re-entry issues, and various career resource books.

O-Net (Dictionary of Occupational Titles – D.O.T.) An extensive guide to career and occupational resources.

Career Files: Information from companies, associations, and government agencies.

Occupational Outlook Handbook (OOH)

Job descriptions, education, training requirements, advancements, and earnings.

Career Briefs: Resources of various occupational careers and goals.

College Board (www.collegeboard.com)
College or university search, majors, college programs and services, admissions, and applications.

College View (www.collegeview.com)
University and college information, majors and careers, college applications, transfer information.

Thomas Peterson's College and Graduate School Planning (www.petersons.com)
Explore colleges and universities, financial aid, career advancement, online and continuation education.

Career Voyages (www.careervoyages.org)

It provides information about high growth industries and in-demand occupations.

Catalog and Transfer Information

- Many of California's university and college catalogs are available. Also, reference information about costs, majors, etc.
- University of California and California State University applications; the online application process is recommended.
- Articulation Agreements with several four-year colleges and universities; www.assist.org is also available for use.
- Guaranteed admission contacts with California State University – San Bernardino.
- Transfer Admissions Guarantee agreements with the University of California – Riverside.
