Date: July 12, 2013
To: All Bidders
From: David Brown, Project Architect
Project: Drainage Channel Repair at Victor Valley College
        FFJ Project No: MI13-05

The following changes, omissions, and/or additions to the specifications and/or drawings shall apply to proposals made for and to the execution of the various parts of the work affected thereby, and all of the conditions shall remain the same.

Careful note of the addendum shall be taken by all parties of interest so that the proper allowances may be made in strict accordance with the Addendum and that all trades shall be fully advised in the performance of the work which will be required of them.

In case of conflict between drawings, specifications, and this addendum, this addendum shall govern.

GENERAL
1.01 Bid Date
   1. As of this Addendum, the Bid Deadline and location remains unchanged.

1.02 Statement of Experience
   1. The Bid Form references that a Statement of Experience must accompany the Bid Proposal. The District is not providing a standard form for the Statement of Experience. Bidders may submit their Statement of Experience in the format of their choosing.

DRAWINGS
1.03 Sheet C-2
   1. As a part of this contract, Contractor shall provide maintenance work of existing channel, starting from existing culverts at Spring Valley Parkway and extending to start of channel reconstruction. Maintenance work shall include the clearing of vegetation from sides and bottom of channel and re-grading the flow line of the channel bottom for positive drainage.
