Notice of Public Hearing

**RECEIVE PUBLIC COMMENT REGARDING ENERGY SERVICE CONTRACT AND
LICENSE WITH SOLFOCUS INC. FOR ENERGY RELATED IMPROVEMENTS TO
VICTOR VALLEY COMMUNITY COLLEGE.**

The Victor Valley Community College District Board of Trustees will hold a public hearing on October 13, 2009 at 6:00 p.m. to receive public comment on making certain findings, and approving an Energy Service Contract with Sol Focus, Inc. and its affiliate Cate Street Capital, Inc. for the implementation of certain energy related improvements to District facilities in accordance with California Government Code section 4217.10 to 4217.18. The meeting will be held in Board Room of the Administration Building #10 located at Victor Valley Community College, 18422 Bear Valley Road, Victorville, CA 92395. The Board will consider adopting findings that would provide, and the Energy Service Contract shall require, that the cost to the District to implement the energy related improvements per this Contract will be less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in absence of purchasing the energy improvements. The Board will also consider adopting findings relative to the ground license that would provide that the difference, if any, between the fair rental value for the real property subject to the facility license is anticipated to be offset by below-market energy purchases or other benefits provided under the energy service contract.
