

Construction Update

June 2006

For frequent updates on all construction projects visit

<http://www.vvc.edu/offices/facilities>

Or, from the VVC Home Page choose Departments & Offices from the top menu bar, and then choose Facilities Construction & Contracts

Five-Year Plan

- Submission of Five-Year Plan (2008 – 2013) to the State Chancellor's office once approved by VVC Board of Trustees
- Includes two Initial Project Proposals: Health Professions Building and Fire Technology / Administration of Justice Training Facility

Update Advanced Technology Center (ATC)

- State Public Works Board approves request for \$2,722,000 in additional funding, allowing VVC to finalize remaining five contracts
- GM Business Interiors selected to provide furniture for both ATC & SDA
- Successful utility switch over (Gas and Electric) took place on Friday, June 16th and Saturday & Sunday, June 24th & 25th – with little or no interruption to the campus community

Update Speech/Drama Addition (SDA)

- Groundbreaking Ceremony – Thursday, June 29, 2006 – 12:00 p.m.
- Remove all Furnishings from Performing Arts Center – June 26th & 27th
- Pre-Construction Meeting – June 27th
- Construction Fencing Installed – June 28th
- Construction Begins – July 1st

Update Adaptive P.E. Center

- Adaptive P.E. Center Facility in Working Drawings Phase
- Merrell-Johnson Engineering hired to do site survey – topographic and existing utilities

Special Note:

Sometime in July, Webcams will be installed at all project areas during construction and will be linked to the Facilities Construction website for "live" view of construction in progress.
