Wednesday, March 19, 2008 ....................................................................................11:00 a.m. – 12:00 p.m.

Surf’s Up: An Introduction to the Internet and the World Wide Web labs are located in the Career/Transfer Services (over the lake) in the Administration and Counseling Building (#55.) Labs are offered and conducted by the VVC Financial Aid Office.

This lab will consist of an overview to the internet and is intended for students not familiar with the Web. Topics will include search engines, the internet, getting an email address, and how to use the internet as a tool to assist you in your education, such as applying for financial aid, searching for scholarships, and using the net as a resource to search for academic information. These dates are also posted on the VVC Financial Aid Office website.

Please make Child Care arrangements in advance, as children can not be allowed in the center.

Labs are limited to the first 15 people who show up, due to limited computers available. For the FAFSA Lab, if you are not prepared with your required documents, you will be asked to return to another lab when you have the documents.

You will only be allowed to enter up to 5 minutes late, so please plan to arrive on time.
