

Because of the unresolved state budget, Cal Grant payments for spring 2009 may be delayed.

According to the California Student Aid Commission, if the state budget is not decided by January 30<sup>th</sup>, 2009, the State Controllers Office will suspend payments for Cal Grants B and C. Victor Valley College will make every effort to disburse Cal Grant funds to eligible students on May 15<sup>th</sup> or soon thereafter, when they are released. Please visit [www.csac.ed.gov](http://www.csac.ed.gov) for more information about the Cal Grant programs. This message will also be updated as new information becomes available. Thank you.
