

Full-Time Student Success Grant

The Full-Time Student Success Grant is a new financial aid program for Cal Grant B recipients attending a California community college full time.

On top of the \$1,656 annual Cal Grant B award paid at community colleges, the Full-Time Student Success Grant pays full-time Cal Grant B recipients an additional \$600 annually. All full-time community college students receiving Cal Grant B will be offered this assistance, and only full-time students can receive this benefit.

Cal Grants and the Full-Time Student Success Grant are just some of the financial aid programs that can help cover your college expenses. You apply for a Cal Grant by completing the Free Application for Federal Student Aid (FAFSA) or California Dream Act Application and have your current school submit your GPA to the California Student Aid Commission. Your completion of the FAFSA also enables consideration for federal grants and loans.

Community college students who are California residents and who miss the March 2 deadline can apply by September 2 to receive consideration for competitive Cal Grant awards. Students completing the Dream Act Application must apply by March 2 in order to receive Cal Grant consideration. But it is important to point out that students can apply year-round for the Board of Governors Fee Waiver
