General Education Requirements for Brandman University’s Bachelor’s Degree Programs in the High Desert

Brandman allows you to use either the CSU general education requirements (what we call “the pink sheet”), or the IGETC (what we call “the blue sheet”), or the list on this page, to complete your general education requirements. If you use CSU GE or IGETC, your certification must be completed prior to your first term admitted and you will still need to complete LBSU 300 at Brandman.

Note: These requirements are subject to change. For further information, contact the university at (760) 955-7555.
