General Education Requirements for University of La Verne’s Accelerated Bachelor's Degree Programs in the High Desert

ULV allows you to use either the CSU general education requirements (what we call “the pink sheet”), or the IGETC (what we call “the blue sheet”), or the list on this page, to prepare for their programs. Transfer students will still be required to complete the University Values and Interdisciplinary requirements. If you are majoring in Liberal Studies and are planning to become an elementary (K-6) school teacher, it is highly recommended that you follow the program below in order to be better prepared to pass the California Subject Examinations for Teachers (CSET).

Note: These requirements are subject to change. For further information, contact the university at (760) 843-0086.
