

Confucius said, “Ignorance is the night of the mind, but a night without moon or star.”

Socrates said, “The unexamined life is not worth living.”

If Socrates and Confucius were alive today, one would say, “Seriously? You have One Direction on your iPod?” and the other would say: “You still have an iPod?”

Then they would tell you to take honors classes in the spring.

SPRING 2017 HONORS CLASSES

- English H101 (English Composition and Reading)—Section 60144, T/Th 12:00-1:50
