WHAT COSTS ARE ASSOCIATED WITH THIS PROGRAM AT VICTOR VALLEY COLLEGE?

Information about costs is based on students who completed this program in the cohort year shown. Costs for tuition, supplies, and books may increase over time due to inflation or fee changes imposed by the California state legislature. Please note that fees have increased for the 2011-2012 academic year from $26 per unit to $36 per unit. An additional $10 per unit increase (to $46 per unit) may also occur effective Spring 2012. Costs for books and supplies shown are an estimate of minimum expenditures sufficient to support successful completion of the program. Pursuant to federal disclosure guidelines, when number of graduates or normal time graduates is fewer than 10, cells appear in black and no debt information is reported.

Debt amounts shown below represent the median for all students who earned certificates from this program at Victor Valley College during the cohort year shown above. Pursuant to federal guidelines, "N/A" is shown if (1) fewer than 10 certificates were awarded that year; (2) fewer than 10 program completers were financial aid recipients; or (3) the certificate program consists of fewer than 18 units, the minimum required for student financial aid eligibility.

ARE STUDENTS FROM THIS PROGRAM AT VICTOR VALLEY COLLEGE GAINFULLY EMPLOYED?

This indicator is the percentage of students who did not transfer to a two or four year institution and were found during one of the four quarters following the cohort year in an apprenticeship program, UI covered employment, the federal Government, or the military. Also known as "Perkins Core Indicator 4," this indicator will be available for the current cohort in Spring 2012.
