6. Other

7. Second Reading (approximately 3 minutes each)

A. New Board Policy BP 3420 – Equal Employment Opportunity – M. Boenheim

At the May meeting of College Assembly, Board Policy 3420, Affirmative Action, was presented as a second reading. A motion was made and passed to approve the policy with a revised board policy number 3421.

The district is a subscriber to the Community College League of California policies and procedure service. This service routinely provides new policies and procedures and updates existing policies and procedures. Since the numbering system is maintained by the CCLC service, revising a policy number will cause a conflict with a new policy in the future.

It is recommended that College Assembly approve Board Policy 3420 as presented at the May 5, 2007, meeting.

8. Adjournment

Adjourn to the next College Assembly meeting, Tuesday, September 4, 2007, 1:30 p.m.
