Emeritus Status

AP 7211

Emeritus status shall be granted to retiring academic personnel who have:

1. A minimum of 15 years of full-time service to the district, and
2. Sustained a commitment to the college and its welfare as demonstrated by at least 10 years of college service outside the individual's primary responsibility, including committee work and/or other services verifiable by Senate, division, or department records.

Retiring academic personnel who meet the requirements listed above will be granted honorary emeritus status and will be recognized in the year the honor is bestowed.

Recipients of emeritus status will be given a designation appropriate to the service rendered, e.g. professor emeritus for classroom faculty, counselor emeritus, and librarian emeritus.

Emeritus personnel may be granted appropriate privileges paralleling those granted to the full-time academic personnel, including faculty parking permit, mailbox for one academic year, mailings of all academic events, emeritus designation in the catalogue, cross-training, and fee waivers whenever possible.
