Bond Workshop ~ Design Build/Traditional Comparison 5-6 p.m.

The Board of Trustees of Victor Valley Community College District met in Open Session on December 9, 2008 in the Board Room of the Administration building. Mr. Nelson, Board President called the meeting to order at 5:03 p.m.

Absent: Bettye Underhill, Christina Zambrano

Bettye Underhill arrived at 5:13 p.m.

Christina Zambrano arrived at 6 p.m.

Bob Silverman introduced Bill Pate, attorney with Stutz, Artiano, Shinoff, and Holtz, Jim Lents, Pomona Valley Hospital, and Steve Lantsberger Economic Development Director with the City of Hesperia all of whom have had extensive experience with Design Build.

Dr. Silverman presented the anticipated timelines for the Public Safety Training Center, Workforce Development Center, main campus refurbishment, bond sale and COP payoff. This presentation provided an overview on how the $297M would be spent in the appropriate way. It is projected that the retirement of the college debt at $55M would be around March 10th. The construction for the Public Safety Training Center at $25M would begin in January 2009 and end in the year 2011. The creation of the Workforce Development Center at $165M would begin July 2009 and should be completed by November 2013. The refurbishment of the campus at $50M will begin April 2009 and completed by the end of 2012. Arrangements have been made for the staff and community for pre-bond sales.

Bill Pate with the law firm Stutz, Artiano, Schiino, and Holtz presented various methods of contracting and design builds. The traditional method of design bid build follows a statutory design with little wiggle room. With design build it is not required to go with low bid proposal instead it can be selected by best value, price, functionality, etc. Design build is cost effective with no change orders with the contractor taking ownership of the design build.

Steve Lantsberger, Deputy Economic Development Director, City of Hesperia provided his successful experiences utilizing a hybrid of a Design Bid Build process (Program
Management "At Risk") on building the City Hall and the Library complex. The City of Hesperia are strong proponents of this method of delivery.

Jim Lents, Director of Project Management, Pomona Valley Hospital Medical Center reinforced the positive items that were previously suggested and encouraged consideration. He pointed out that going with design build ensures a fixed price early on in the project and reliability for any overruns. He feels that the design build methodology is the perfect fit for the projects that are being considered.

RECOMMENDED BY:  GH Javaheripour

APPROVED BY:  Robert Silverman

Description/Background:

The district wishes to submit for approval addendum #2 to the scope of work provided by RGP Planning and Development Services pertaining to the Program Environmental Impact Report (EIR) for the 2007 Facilities Master Plan, originally approved by the board on September 11, 2007. The additional scope of work is required to address mitigating circumstances that arose during the review process by various agencies of the Notice of Preparation. The additional scope includes studies on Hydrology/Water Quality, Hazards and Hazardous Materials, Geology and Soils, Traffic and Circulation, and School Site Solutions. This full-service, campus-wide environmental study gives the district maximum flexibility in implementing its Master Plan in compliance with the California Environmental Quality Act (CEQA). By completing this EIR the district will benefit from substantial savings on all future construction projects as one EIR and one Clearing House Number simplifies the CEQA process.

A copy of the original contract and addendum are available for review in the Superintendent/President's office.

Need:

These additional studies were referenced in the Initial Study included in the 2007 Facilities Master Plan, but did not include the in-depth technical information needed to complete the Program EIR, thus the scope had to be included to the contract.

Fiscal Impact:  $5,850.00 – Fund 71 Expenditure

Recommended Action:  This item has been approved by the Superintendent/President; it is recommended that the Board of Trustees ratify the scope of work addendum #2 in the amount of $5,850.00 with RGP Planning and Development Services.

TOPIC: Resolution 09-02 – Change of Election Date – San Bernardino and Los Angeles County

SUBMITTED BY: GH Javaheripour, Vice President Administrative Services

RECOMMENDED BY: ROBERT SILVERMAN

APPROVED BY: Robert Silverman

Description/Background:
Elections Code section 1302 (b) authorizes a school district, by resolution of its governing board, to move its governing board election to the statewide general election in November of each even-numbered year. Such a resolution becomes operative upon approval by the Board of Supervisors, pursuant to the provisions of Elections Code section 10404.5. Since a small part of Victor Valley Community College's District is in Los Angeles a resolution is required to both San Bernardino and Los Angeles County.

Need: To reduce expenses whenever possible.

Fiscal Impact: Cost savings to the District will vary from election to election dependent on the numbers of items on the ballot. Savings would be approximately $200,000 over a two year period. In addition, there is a one time cost of $21,000 to notify voters of the change.

Recommended Action:
Approval of the resolution permitting Victor Valley Community College District to change its election date with the approval of the Board of Supervisors of the Counties of San Bernardino and Los Angeles from November 2009 to November 2010.

RESOLUTION AUTHORIZING THE ISSUANCE OF VICTOR VALLEY COMMUNITY COLLEGE DISTRICT (LOS ANGELES AND SAN BERNARDINO COUNTIES, CALIFORNIA) ELECTION OF 2008 GENERAL OBLIGATION BONDS, SERIES A

WHEREAS, a duly called municipal election was held in the Victor Valley Community College District, Los Angeles and San Bernardino Counties, State of California (hereinafter referred to as the “District”), on November 4, 2008 at which the following proposition (the “Bond Measure”) was submitted to the qualified electors of the District:

To improve education, prepare students for well-paying jobs and university transfer and qualify for State matching funds, shall Victor Valley Community College District improve classrooms, labs and educational buildings and establish a Workforce Training Center and Public Safety Academy for nursing, healthcare, emergency medical, police, firefighting and business careers, upgrade aging infrastructure, acquire sites, equipment, construct/repair buildings/science labs, by issuing $297,500,000 in bonds, at legal rates with independent citizens’ oversight/no money for administrators’ salaries?

WHEREAS, at such election (the “Election”) more than fifty-five percent of the voters of the District voted to authorize the issuance and sale of not-to-exceed $297,500,000 of general obligation bonds of the District for various purposes, including the retirement of past funding utilized by the District for campus improvements;

WHEREAS, the Victor Valley Community College District (the “District”) has previously issued its $53,450,000 1997 Variable Rate Certificates of Participation;

WHEREAS, at this time the Board of Trustees of the District (the “Board”) has determined that it is necessary and desirable to issue one or more series of Bonds in the aggregate principal amount not to exceed $150,000,000 (the “Bonds”);

WHEREAS, Either pursuant to Chapter 1.5 of Part 10 of Division 1 of Title 1 of the California Education Code (the “Education Code Act”), or Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government Code (the “Government Code Act”) Bonds are authorized to be issued for the purposes set forth in the ballot submitted to the voters;

WHEREAS, the Board of Trustees of the District (the “Board”) desires to use a portion of the proceeds derived from the sale of the Bonds to refund all of the 1997 Variable Rate Certificates of Participation (the “Refunded Certificates”);

WHEREAS, to accomplish the refunding of the Refunded Certificates, the Board has determined that it may be necessary and desirable to enter into an escrow agreement (the “Escrow Agreement”) pursuant to which proceeds from the sale of the Bonds shall be deposited into an escrow fund (the “Escrow Fund”); and

WHEREAS, the Board of Supervisors of San Bernardino County has provided by resolution that pursuant to Education Code Section 15140(b) the District may sell the Bonds on its own behalf;
WHEREAS, the District has not received a qualified or negative certification in its most recent interim report; and

WHEREAS, all acts, conditions and things required by law to be done or performed have been done and performed in strict conformity with the laws authorizing the issuance of general obligation bonds of the District, and the indebtedness of the District, including this proposed issue of Bonds, is within all limits prescribed by law;

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF THE VICTOR VALLEY COMMUNITY COLLEGE DISTRICT, AS FOLLOWS:

SECTION 1. Purpose. To raise money for the purposes authorized by voters of the District at the Election, including the refunding of all or a portion of the Refunded Certificates and to pay all necessary legal, financial, engineering and contingent costs in connection therewith, the Board hereby authorizes the issuance of one or more series of Bonds in accordance with the provisions of either or both of the Education Code Act or the Government Code Act and orders such Bonds sold at a negotiated sale such that the Bonds shall be dated as of a date to be determined by the Board, shall bear interest at a true interest cost which shall not exceed that authorized at the Election, shall be payable upon such terms and provisions as shall be set forth in the Bonds, and shall be in an aggregate principal amount not to exceed $150,000,000, for some or all of the purposes authorized at the Election (the “Projects”).

SECTION 2. Bond Registrar. The Board does hereby appoint U.S. Bank National Association as the authenticating agent, bond registrar, transfer agent, fiscal agent and paying agent (collectively, the “Bond Registrar”) for the Bonds on behalf of the District.

SECTION 3. Terms and Conditions of Sale. The Bonds shall be sold at a negotiated sale upon the direction of the Superintendent/President of the District (the “Superintendent”), the Vice President, Administrative Services of the District (the “Vice President”) or the Director of Fiscal Services (the “Director”). The Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below. The Board hereby authorizes the sale of the Bonds at a negotiated sale, which will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Bonds to fit the needs of particular purchasers, and a greater opportunity for the Underwriter to pre-market the Bonds to potential purchasers prior to the sale, all of which will contribute to the District’s goal of achieving the lowest overall cost of funds. The Bonds shall be sold pursuant to the terms and conditions set forth in the Purchase Contract, as described below. The Bonds may be issued in the form of Taxable or Tax-Exempt Bonds.

SECTION 4. Approval of Purchase Contract. The form of Purchase Contract (the “Purchase Contract”) by and between the District and Piper Jaffray & Co. (the “Underwriter”), for the purchase and sale of the Bonds, substantially in the form on file with the Secretary of or Clerk to the Board, is hereby approved and the Superintendent, or the Director, or an authorized deputy of the Superintendent (each an “Authorized Officer”), are hereby authorized and requested to execute and deliver the Purchase Contract, with such changes therein, deletions therefrom and modifications thereto as such Authorized Officers, each alone, may approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that the maximum true interest cost on the Bonds shall not exceed the maximum rate authorized at the Election and the Underwriter’s discount, excluding original issue discount and expenses and costs of issuance paid by the Underwriter, thereon shall not exceed 2.0% of the aggregate of principal amount of Bonds issued. The Authorized Officers, each alone, are further authorized to determine the principal amount of the Bonds to be specified in the Purchase Contract for sale by the District up to $150,000,000 and to enter into and execute the Purchase Contract with the Underwriter, if the conditions set forth in this Resolution are satisfied. The Bond estimates that the costs associated with the issuance of the Bonds, including compensation to the Underwriter and any such costs
which the Underwriter agrees to pay pursuant to the Purchase Contract (excluding fees of the Bond Insurer, if any), will equal approximately 3.0% of the principal amount of the Bonds.

SECTION 5. Certain Definitions. As used in this Resolution, the terms set forth below shall have the meanings ascribed to them (unless otherwise set forth in the Purchase Contract or Official Statement (defined herein)):

The Bond Registrar shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by registered or certified mail, postage prepaid, at their addresses appearing on the Bond Register (defined herein).

(b) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to the Securities Depository.

(c) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given by (i) registered or certified mail, postage prepaid, or (ii) overnight delivery service, to one of the Information Services.

Neither failure to receive or failure to publish any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Bond Registrar for the purpose of redeeming Bonds shall bear or include the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(iv) Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Bond Registrar shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of authorized denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the District shall be released and discharged thereupon from all liability to the extent of such payment.

(v) Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the District’s Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 6(b)(i) hereof, together with interest accrued to such redemption date, shall be held by the Bond Registrar so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue or accrete and become payable. All money held by or on behalf of the Bond Registrar for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of this Section 6 shall be cancelled upon surrender thereof and be delivered to or upon the order of the District. All or any portion of a Bond purchased by the District shall be cancelled by the Bond Registrar.
(vi) **Bonds No Longer Outstanding.** When any Bonds (or portions thereof), which have been duly called for redemption prior to maturity under the provisions of this Resolution, or with respect to which irrevocable instructions to call for redemption prior to maturity at the earliest redemption date have been given to the Bond Registrar, in form satisfactory to it, and sufficient moneys shall be held by the Bond Registrar irrevocably in trust for the payment of the redemption price of such Bonds or portions thereof, and, in the case of Current Interest Bonds, accrued interest with respect thereto to the date fixed for redemption, all as provided in this Resolution, then such Bonds shall no longer be deemed Outstanding and shall be surrendered to the Bond Registrar for cancellation.

(c) **Book-Entry System.**

(i) **Definitions.** As used in this Section, the terms set forth below shall have the meanings ascribed to them:

“Nominee” means the nominee of the Depository, which may be the Depository, as determined from time to time pursuant to this Section.

“Participants” means those broker-dealers, banks and other financial institutions from time to time for which the Depository holds book-entry certificates as securities depository.

(ii) **Election of Book-Entry System.** The Bonds shall initially be delivered in the form of a separate single fully-registered bond (which may be typewritten) for each maturity date of such Bonds in an authorized denomination (except for any odd denomination Capital Appreciation Bond). The ownership of each such Bond shall be registered in the Bond Register (as defined below) in the name of the Nominee, as nominee of the Depository and ownership of the Bonds, or any portion thereof may not thereafter be transferred except as provided in Section 6(c)(ii)(4) below.

With respect to book-entry Bonds, the District and the Bond Registrar shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such book-entry Bonds. Without limiting the immediately preceding sentence, the District and the Bond Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee, or any Participant with respect to any ownership interest in book-entry Bonds, (ii) the delivery to any Participant or any other person, other than an owner as shown in the Bond Register, of any notice with respect to book-entry Bonds, including any notice of redemption, (iii) the selection by the Depository and its Participants of the beneficial interests in book-entry Bonds to be prepaid in the event the District redeems the Bonds in part, or (iv) the payment by the Depository or any Participant or any other person, of any amount with respect to Accreted Value, Principal, premium, if any, or interest on the book-entry Bonds. The District and the Bond Registrar may treat and consider the person in whose name each book-entry Bond is registered in the Bond Register as the absolute owner of such book-entry Bond for the purpose of payment of Accreted Value or Principal of and premium and interest on and to such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Bond Registrar shall pay all Accreted Value or Principal of and premium, if any, and interest on the Bonds only to or upon the order of the respective owner, as shown in the Bond Register, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the District’s obligations with respect to payment of Accreted Value or Principal of, and premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than an owner, as shown in the Bond Register, shall receive a certificate evidencing the obligation to make payments of Accreted Value or Principal of, and premium, if any, and interest on the Bonds. Upon delivery by the Depository to the owner and the Bond Registrar, of written notice to the effect that the Depository has determined to substitute a new nominee in place of the
Nominee, and subject to the provisions herein with respect to the Record Date, the word Nominee in this Resolution shall refer to such nominee of the Depository.

1. **Delivery of Letter of Representations.** In order to qualify the book-entry Bonds for the Depository’s book-entry system, the District and the Bond Registrar shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the District or the Bond Registrar any obligation whatsoever with respect to persons having interests in such book-entry Bonds other than the owners, as shown on the Bond Register. By executing a Letter of Representations, the Bond Registrar shall agree to take all action necessary at all times so that the District will be in compliance with all representations of the District in such Letter of Representations. In addition to the execution and delivery of a Letter of Representations, the District and the Bond Registrar shall take such other actions, not inconsistent with this Resolution, as are reasonably necessary to qualify book-entry Bonds for the Depository’s book-entry program.

2. **Selection of Depository.** In the event (i) the Depository determines not to continue to act as securities depository for book-entry Bonds, or (ii) the District determines that continuation of the book-entry system is not in the best interest of the beneficial owners of the Bonds or the District, then the District will discontinue the book-entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered bond for each maturity date of such book-entry Bond, registered in the name of such successor or substitute qualified securities depository or its Nominee as provided in subsection (4) hereof. If the District fails to identify another qualified securities depository to replace the Depository, then the Bonds shall no longer be restricted to being registered in such Bond Register in the name of the Nominee, but shall be registered in whatever name or names the owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of this Section 6(c).

3. **Payments to Depository.** Notwithstanding any other provision of this Resolution to the contrary, so long as all outstanding Bonds are held in book-entry and registered in the name of the Nominee, all payments by the District or the Bond Register with respect to Accreted Value or Principal of and premium, if any, or interest on the Bonds and all notices with respect to such Bonds shall be made and given, respectively to the Nominees, as provided in the Letter of Representations or as otherwise instructed by the Depository and agreed to by the Bond Registrar notwithstanding any inconsistent provisions herein.

4. **Transfer of Bonds to Substitute Depository.**

(A) The Bonds shall be initially issued as described in the Official Statement described herein. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

1. to any successor of DTC or its nominee, or of any substitute depository designated pursuant to Section 6(c)(ii)(4)(A)(2) (“Substitute Depository”); provided that any successor of DTC or Substitute Depository shall be qualified under any applicable laws to provide the service proposed to be provided by it;

2. to any Substitute Depository, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC (or its successor) is no longer able to carry out its functions as depository; provided that any such Substitute Depository
shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) to any person as provided below, upon (1) the resignation of DTC or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the District that DTC or its successor (or Substitute Depository or its successor) is no longer able to carry out its functions as depository.

(B) In the case of any transfer pursuant to Section 6(c)(ii)(4)(A)(1) or (2), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar designating the Substitute Depository, a single new Bond, which the District shall prepare or cause to be prepared, shall be executed and delivered for each maturity of Bonds then outstanding, registered in the name of such successor or such Substitute Depository or their Nominees, as the case may be, all as specified in such written request of the District. In the case of any transfer pursuant to Section 6(c)(ii)(4)(A)(3), upon receipt of all outstanding Bonds by the Bond Registrar, together with a written request of the District to the Bond Registrar, new Bonds, which the District shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are requested in such written request of the District, provided that the Bond Registrar shall not be required to deliver such new Bonds within a period of less than 60 days from the date of receipt of such written request from the District.

(C) In the case of a partial redemption or an advance refunding of any Bonds evidencing a portion of the Maturity Value or Principal maturing in a particular year, DTC or its successor (or any Substitute Depository or its successor) shall make an appropriate notation on such Bonds indicating the date and amounts of such reduction in Maturity Value or Principal, in form acceptable to the Bond Registrar, all in accordance with the Letter of Representations. The Bond Registrar shall not be liable for such Depository’s failure to make such notations or errors in making such notations.

(D) The District and the Bond Registrar shall be entitled to treat the person in whose name any Bond is registered as the owner thereof for all purposes of this Resolution and any applicable laws, notwithstanding any notice to the contrary received by the Bond Registrar or the District, and the District and the Bond Registrar shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Bonds. Neither the District nor the Bond Registrar shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including DTC or its successor (or Substitute Depository or its successor), except to the Owner of any Bonds, and the Bond Registrar may rely conclusively on its records as to the identity of the owners of the Bonds.

SECTION 7. Execution of the Bonds. The Bonds shall be signed by the President of the Board, or other member of the Board authorized to do so by resolution of the Board, by manual or facsimile signature and countersigned by the manual or facsimile signature of the Secretary to or Clerk of the Board, all in their official capacities. No Bond shall be valid or obligatory for any purpose or shall be entitled to any security or benefit under this Resolution unless and until the certificate of authentication printed on the Bond is signed by the Bond Registrar as authenticating agent. Authentication by the Bond Registrar shall be conclusive evidence that the Bond so authenticated has been duly issued, signed and delivered under this Resolution and is entitled to the security and benefit of this Resolution.

SECTION 8. Bond Registrar; Transfer and Exchange. So long as any of the Bonds remains outstanding, the District will cause the Bond Registrar to maintain and keep at its principal office all books and records necessary for the registration, exchange and transfer of the Bonds as provided in this
Subject to the provisions of Section 9 below, the person in whose name a Bond is registered on the Bond Register shall be regarded as the absolute owner of that Bond for all purposes of this Resolution. Payment of or on account of the Principal or Accreted Value of and premium, if any, and interest on any Bond shall be made only to or upon the order of that person; neither the District nor the Bond Registrar shall be affected by any notice to the contrary, but the registration may be changed as provided in this Section. All such payments shall be valid and effectual to satisfy and discharge the District’s liability upon the Bonds, including interest, to the extent of the amount or amounts so paid.

Any Bond may be exchanged for Bonds of like tenor, maturity and Transfer Amount upon presentation and surrender at the principal office of the Bond Registrar, together with a request for exchange signed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. A Bond may be transferred on the Bond Register only upon presentation and surrender of the Bond at the principal office of the Bond Registrar together with an assignment executed by the Owner or by a person legally empowered to do so in a form satisfactory to the Bond Registrar. Upon exchange or transfer, the Bond Registrar shall complete, authenticate and deliver a new Bond or Bonds of like tenor and of any authorized denomination or denominations requested by the Owner equal to the Transfer Amount of the Bond surrendered and bearing or accruing interest at the same rate and maturing on the same date. Capital Appreciation Bonds and Current Interest Bonds may not be exchanged for one another.

If any Bond shall become mutilated, the District, at the expense of the Owner of said Bond, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like series, tenor and Transfer Amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Bond Registrar of the Bond so mutilated. If any Bond issued hereunder shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Bond Registrar and, if such evidence be satisfactory to the Bond Registrar and indemnity for the Bond Registrar and the District satisfactory to the Bond Registrar shall be given by the owner, the District, at the expense of the Bond owner, shall execute, and the Bond Registrar shall thereupon authenticate and deliver, a new Bond of like series and tenor in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been called for redemption, instead of issuing a substitute Bond the Bond Registrar may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Bond Registrar and the District). The Bond Registrar may require payment of a reasonable fee for each new Bond issued under this paragraph and of the expenses which may be incurred by the District and the Bond Registrar.

If manual signatures on behalf of the District are required in connection with an exchange or transfer, the Bond Registrar shall undertake the exchange or transfer of Bonds only after the new Bonds are signed by the authorized officers of the District. In all cases of exchanged or transferred Bonds, the District shall sign and the Bond Registrar shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All fees and costs of transfer shall be paid by the requesting party. Those charges may be required to be paid before the procedure is begun for the exchange or transfer. All Bonds issued upon any exchange or transfer shall be valid obligations of the District, evidencing the same debt, and entitled to the same security and benefit under this Resolution as the Bonds surrendered upon that exchange or transfer.

Any Bond surrendered to the Bond Registrar for payment, retirement, exchange, replacement or transfer shall be cancelled by the Bond Registrar. The District may at any time deliver to the Bond Registrar for cancellation any previously authenticated and delivered Bonds that the District may have acquired in any manner whatsoever, and those Bonds shall be promptly cancelled by the Bond Registrar. Written reports of the surrender and cancellation of Bonds shall be made to the District by the Bond Registrar on or before February 1 and August 1 of each year. The cancelled Bonds shall be retained for six years, then returned to the District or destroyed by the Bond Registrar as directed by the District.
Neither the District nor the Bond Registrar will be required (a) to issue or transfer any Bonds during a period beginning with the opening of business on the 15th business day next preceding either any Bond Payment Date or any date of selection of Bonds to be redeemed and ending with the close of business on the Bond Payment Date or any day on which the applicable notice of redemption is given or (b) to transfer any Bonds which have been selected or called for redemption in whole or in part.

SECTION 9. Payment. Payment of interest on any Current Interest Bond on any Bond Payment Date shall be made to the person appearing on the registration books of the Bond Registrar as the Owner thereof as of the Record Date immediately preceding such Bond Payment Date, such interest to be paid by check mailed to such Owner on the Bond Payment Date at his address as it appears on such registration books or at such other address as he may have filed with the Bond Registrar for that purpose on or before the Record Date. The Owner in an aggregate Principal Amount or Maturity Value of $1,000,000 or more may request in writing to the Bond Registrar that such Owner be paid interest by wire transfer to the bank and account number on file with the Bond Registrar as of the Record Date. The principal, and redemption price, if any, payable on the Current Interest Bonds and the Accreted Value and redemption price, if any, on the Capital Appreciation Bonds shall be payable upon maturity or redemption upon surrender at the principal office of the Bond Registrar. The interest, Accreted Value, Principal and premiums, if any, on the Bonds shall be payable in lawful money of the United States of America. The Bond Registrar is hereby authorized to pay the Bonds when duly presented for payment at maturity, and to cancel all Bonds upon payment thereof. The Bonds are general obligations of the District.

SECTION 10. Form of Bonds. The Bonds shall be in substantially the following forms, allowing those officials executing the Bonds to make the insertions and deletions necessary to conform the Bonds to this Resolution, the Purchase Contract or the Official Statement.

Secretary to the Board of Trustees

(Form of Legal Opinion)
SECTION 11. Delivery of Bonds. The proper officials of the District shall cause the Bonds to be prepared and, following their sale, shall have the Bonds signed and delivered, together with a true transcript of proceedings with reference to the issuance of the Bonds, to the original purchaser upon payment of the purchase price therefor.

SECTION 12. Deposit of Proceeds of Bonds; Escrow Agreement. (a) The proceeds from the sale of the Bonds, to the extent of the Denominational Amount and the Principal Amount thereof, shall be paid to the County to the credit of the fund hereby created and established and to be known as the “Victor Valley Community College District Election of 2008 General Obligation Bonds, Series A Building Fund” (the “Building Fund”) of the District, shall be kept separate and distinct from all other District and County funds, and those proceeds shall be used solely for the purpose for which the Bonds are being issued and provided further that such proceeds shall be applied solely to authorized purposes which relate to the Projects. The accrued interest and any premium received by the District from the sale of the Bonds shall be kept separate and apart in the fund hereby created and established and to be designated as the “Victor Valley Community College District Election of 2008 General Obligation Bonds, Series A Debt Service Fund” (the “Debt Service Fund”) for the Bonds and used only for payment of Accreted Value or Principal of and interest on the Bonds. Interest earnings on moneys held in the Building Fund shall be retained in the Building Fund. Interest earnings on moneys held in the Debt Service Fund shall be retained in the Debt Service Fund. Any amounts that remain in the Building Fund at the completion of the Projects, at the written direction of the District, shall be transferred to the Debt Service Fund to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Tax Certificate. Any excess proceeds of the Bonds not needed for the authorized purposes set forth herein for which the Bonds are being issued shall be transferred to the Debt Service Fund and applied to the payment of Accreted Value or Principal of and interest on the Bonds. If, after payment in full of the Bonds, there remain excess proceeds, any such excess amounts shall be transferred to the General Fund of the District.

(b) An amount of the net proceeds from the sale of the Bonds necessary to purchase the Federal Securities needed to defease or redeem the Refunded Certificates may be transferred to the Escrow Agent (as defined below) for deposit in the Escrow Fund established under the Escrow Agreement, or held in the Building Fund until applied for the prepayment of the Refunded Certificates.

(c) Moneys in the Debt Service Fund and the Building Fund shall be invested at the written direction of the District, and after consultation with the County, in Permitted Investments. If at the time of issuance the District determines to issue the Bonds as Tax-Exempt Bonds without regard to the Internal Revenue Code “temporary period” restrictions, all investment of Bond proceeds shall be subject to paragraph (i) below; and the District, in consultation with the County, may provide for an agent to assist the County in investing funds pursuant to paragraph (1) below. If the District fails to direct the County or its agent, as the case may be, the County or its agent shall invest or cause the funds in the Building Fund to be invested in Qualified Permitted Investments, subject to the provisions of paragraph (1) below, until such time as the District provides written direction to invest such funds otherwise. Neither the County nor its officers and agents, as the case may be, shall have any responsibility or obligation to determine the tax consequences of any investment. The interest earned on the moneys deposited to the Building Fund shall be applied as set forth in subparagraph (1)(C) below:

(1) Covenant Regarding Investment of Proceeds.

(A) Permitted Investments. Beginning on the delivery date, and at all times until expenditure for authorized purposes, not less than 95% of the proceeds of the Bonds deposited in the Building Fund, including investment earnings thereon, will be invested in Qualified Permitted Investments which are rated in at least the second highest rating category by one of the two Rating Agencies. Notwithstanding the preceding provisions
of this Section, for purposes of this paragraph, amounts derived from the disposition or redemption of Qualified Permitted Investments and held pending reinvestment or redemption for a period of not more than 30 days may be invested in Permitted Investments. The District hereby authorizes investments made pursuant to this Resolution with maturities exceeding five years.

(B) Recordkeeping and Monitoring Relating to Building Fund.

i. Information Regarding Permitted Investments. The District hereby covenants that it will record or cause to be recorded with respect to each Permitted Investment in the Building Fund the following information: purchase date; purchase price; information establishing the Fair Market Value of such Permitted Investment; face amount; coupon rate; periodicity of interest payments; disposition price; disposition date; and any accrued interest received upon disposition.

ii. Information in Qualified Non-AMT Mutual Funds. The District hereby covenants that, with respect to each investment of proceeds of the Bonds in a Qualified Non-AMT Mutual Fund pursuant to paragraph (1)(A) above, in addition to recording, or causing to be recorded, the information set forth in paragraph (1)(B)(i) above, it will retain a copy of each IRS information reporting form and account statement provided by such Qualified Non-AMT Mutual Fund.

iii. Monthly Investment Fund Statements. The District covenants that it will obtain, at the beginning of each month following the delivery date, a statement of the investments in the Building Fund detailing the nature, amount and value of each investment as of such statement date.

iv. Retention of Records. The District hereby covenants that it will retain the records referred to in paragraph (1)(B)(i) and each IRS information reporting form referred to in paragraph (1)(B)(ii) with its books and records with respect to the Bonds until six years following the last date that any obligation comprising the Bonds is retired.

(C) Interest Earned on Permitted Investments. The interest earned on the moneys deposited in the Building Fund shall be deposited in the Building Fund and used for the purposes of that fund.

Except as required below to satisfy the requirements of Section 148(f) of the Internal Revenue Code of 1986, as amended (the “Code”), interest earned on the investment of moneys held in the Debt Service Fund shall be retained in the Debt Service Fund and used to pay Principal and interest on the Bonds when due.

SECTION 13. Rebate Fund.

(a) The District shall create and establish a special fund designated the “Victor Valley Community College District Election of 2008 General Obligation Bonds, Series A Rebate Fund” (the “Rebate Fund”). All amounts at any time on deposit in the Rebate Fund shall be held in trust, to the extent required to satisfy the requirement to make rebate payments to the United States (the “Rebate Requirement”) pursuant to Section 148 of the Code, and the Treasury Regulations promulgated thereunder (the “Treasury Regulations”). Such amounts shall be free and clear of any lien hereunder and shall be governed by this Section and by the Tax Certificate to be executed by the District.
(b) Within 45 days of the end of each fifth Bond Year (as such term is defined in the Tax Certificate), (1) the District shall calculate or cause to be calculated with respect to the Bonds the amount that would be considered the “rebate amount” within the meaning of Section 1.148-3 of the Treasury Regulations, using as the “computation date” for this purpose the end of such Bond Year, and (2) the District shall deposit to the Rebate Fund from amounts on deposit in the other funds established hereunder or from other District funds, if and to the extent required, amounts sufficient to cause the balance in the Rebate Fund to be equal to the “rebate amount” so calculated. The District shall not be required to deposit any amount to the Rebate Fund in accordance with the preceding sentence, if the amount on deposit in the Rebate Fund prior to the deposit required to be made under this subsection (b) equals or exceeds the “rebate amount” calculated in accordance with the preceding sentence. Such excess may be withdrawn from the Rebate Fund to the extent permitted under subsection (g) of this Section. The District shall not be required to calculate the “rebate amount” and shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b), with respect to all or a portion of the proceeds of the Bonds (including amounts treated as proceeds of the Bonds) (1) to the extent such proceeds satisfy the expenditure requirements of Section 148(f)(4)(B) or Section 148(f)(4)(C) of the Code or Section 1.148-7(d) of the Treasury Regulations, whichever is applicable, and otherwise qualify for the exception to the Rebate Requirement pursuant to whichever of said sections is applicable, (2) to the extent such proceeds are subject to an election by the District under Section 148(f)(4)(C)(vii) of the Code to pay a one and one-half percent (1½%) penalty in lieu of arbitrage rebate in the event any of the percentage expenditure requirements of Section 148(f)(4)(C) are not satisfied, or (3) to the extent such proceeds qualify for the exception to arbitrage rebate under Section 148(f)(4)(A)(ii) of the Code for amounts in a “bona fide debt service fund.” In such event, and with respect to such amounts, the District shall not be required to deposit any amount to the Rebate Fund in accordance with this subsection (b).

(c) Any funds remaining in the Rebate Fund after redemption of all the Bonds and any amounts described in paragraph (2) of subsection (d) of this Section, or provision made therefor satisfactory to the District, including accrued interest, shall be remitted to the District.

(d) Subject to the exceptions contained in subsection (b) of this Section to the requirement to calculate the “rebate amount” and make deposits to the Rebate Fund, the District shall pay to the United States, from amounts on deposit in the Rebate Fund,

(1) not later than 60 days after the end of (i) the fifth Bond Year, and (ii) each fifth Bond Year thereafter, an amount that, together with all previous rebate payments, is equal to at least 90% of the “rebate amount” calculated as of the end of such Bond Year in accordance with Section 1.148-3 of the Treasury Regulations; and

(2) not later than 60 days after the payment of all Bonds, an amount equal to one hundred percent (100%) of the “rebate amount” calculated as of the date of such payment (and any income attributable to the “rebate amount” determined to be due and payable) in accordance with Section 1.148-3 of the Treasury Regulations.

(e) In the event that, prior to the time any payment is required to be made from the Rebate Fund, the amount in the Rebate Fund is not sufficient to make such payment when such payment is due, the District shall calculate (or have calculated) the amount of such deficiency and deposit an amount equal to such deficiency into the Rebate Fund prior to the time such payment is due.

(f) Each payment required to be made pursuant to subsection (d) of this Section shall be made to the Internal Revenue Service Center, Ogden, Utah, on or before the date on which such payment is due, and shall be accompanied by Internal Revenue Service Form 8038-T, such form to be prepared or caused to be prepared by the District.
(g) In the event that immediately following the calculation required by subsection (b) of this Section, but prior to any deposit made under said subsection, the amount on deposit in the Rebate Fund exceeds the “rebate amount” calculated in accordance with said subsection, the District shall withdraw the excess from the Rebate Fund and credit such excess to the Debt Service Fund.

(h) The District shall retain records of all determinations made hereunder until six years after the complete retirement of the Bonds.

(i) Notwithstanding anything in this Resolution to the contrary, the Rebate Requirement shall survive the payment in full or defeasance of the Bonds.

SECTION 14. Security for the Bonds. There shall be levied on all the taxable property in the District, in addition to all other taxes, a continuing direct ad valorem tax annually during the period the Bonds are outstanding in an amount sufficient to pay the principal and Accreted Value of and interest on the Bonds when due, which moneys when collected will be placed in the Debt Service Fund of the District, which fund is irrevocably pledged for the payment of the principal and Accreted Value of and interest on the Bonds when and as the same fall due.

The moneys in the Debt Service Fund, to the extent necessary to pay the principal and Accreted Value of and interest on the Bonds as the same become due and payable, shall be transferred by the Treasurer-Tax Collector to the Bond Registrar which, in turn, shall pay such monies to DTC to pay the principal and Accreted Value of and interest on the Bonds. DTC will thereupon make payments of principal and Accreted Value and interest on the Bonds to the DTC Participants who will thereupon make payments of principal and Accreted Value and interest to the beneficial owners of the Bonds. Any moneys remaining in the Debt Service Fund after the Bonds and the interest thereon have been paid, or provision for such payment has been made, shall be transferred to the General Fund of the District, pursuant to the Education Code Section 15234.

SECTION 15. Arbitrage Covenant. The District covenants that it will restrict the use of the proceeds of the Bonds in such manner and to such extent, if any, as may be necessary, so that the Bonds will not constitute arbitrage bonds under Section 148 of the Code and the applicable regulations prescribed under that Section or any predecessor section. Calculations for determining arbitrage requirements are the sole responsibility of the District

SECTION 16. Conditions Precedent. The Board determines that all acts and conditions necessary to be performed by the Board or to have been met precedent to and in the issuing of the Bonds in order to make them legal, valid and binding general obligations of the District have been performed and have been met, or will at the time of delivery of the Bonds have been performed and have been met, in regular and due form as required by law; and that no statutory or constitutional limitation of indebtedness or taxation will have been exceeded in the issuance of the Bonds.

If the Bonds are sold under the Government Code Act, the Board further finds and determines that as a result of the issuance of the Bonds under the provisions of the Government Code Act, the overall outstanding general obligation bond debt of the District will be amortized in a more level manner.

SECTION 17. Official Statement. The Preliminary Official Statement relating to the Bonds, substantially in the form on file with the Secretary to or Clerk of the Board is hereby approved and the Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deliver such Preliminary Official Statement to the Underwriter to be used in connection with the offering and sale of the Bonds. The Authorized Officers, each alone, are hereby authorized and directed, for and in the name and on behalf of the District, to deem the Preliminary Official Statement
“final” pursuant to 15c2-12 of the Securities Exchange Act of 1934, prior to its distribution and to execute and deliver to the Underwriter a final Official Statement, substantially in the form of the Preliminary Official Statement, with such changes therein, deletions therefrom and modifications thereto as the Authorized Officer executing the same shall approve. The Underwriter is hereby authorized to distribute copies of the Preliminary Official Statement to persons who may be interested in the purchase of the Bonds and is directed to deliver copies of any final official statement to the purchasers of the Bonds. Execution of the Official Statement shall conclusively evidence the District’s approval of the Official Statement.

SECTION 18. Insurance. In the event the District purchases bond insurance for the Bonds, and to the extent that the Bond Insurer makes payment of the principal interest, or Accreted Interest on the Bonds, it shall become the owner of such Bonds with the right to payment of principal, interest or Accreted Interest on the Bonds, and shall be fully subrogated to all of the Owners’ rights, including the Owners’ rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims that were past due interest components, the Bond Registrar shall note the Bond Insurer’s rights as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon receipt of a copy of the cancelled check issued by the Bond Insurer for the payment of such interest to the Owners of the Bonds, and (ii) in the case of subrogation as to claims for past due Principal or Accreted Value, the Bond Registrar shall note the Bond Insurer as subrogee on the registration books for the Bonds maintained by the Bond Registrar upon surrender of the Bonds by the Owners thereof to the Bond Insurer or the insurance trustee for the Bond Insurer.

SECTION 19. Defeasance. All or any portion of the outstanding maturities of the Bonds may be defeased prior to maturity in the following ways:

(a) Cash: by irrevocably depositing with an independent escrow agent selected by the District an amount of cash which together with amounts then on deposit in the Debt Service Fund (as herein defined) is sufficient to pay all Bonds outstanding and designated for defeasance, including all principal and interest represented thereby and premium, if any; or

(b) Government Obligations: by irrevocably depositing with an independent escrow agent selected by the District noncallable Government Obligations together with cash, if required, in such amount as will, in the opinion of an independent certified public accountant, together with interest to accrue thereon and moneys then on deposit in the Debt Service Fund together with the interest to accrue thereon, be fully sufficient to pay and discharge all Bonds outstanding and designated for defeasance (including all Principal and interest and redemption premiums, if any) at or before their maturity date;

then, notwithstanding that any of such Bonds shall not have been surrendered for payment, all obligations of the District with respect to all such designated outstanding Bonds shall cease and terminate, except only the obligation of the Bond Registrar or an independent escrow agent selected by the District to pay or cause to be paid from funds deposited pursuant to paragraphs (a) or (b) of this Section, to the owners of such designated Bonds not so surrendered and paid all sums due with respect thereto.

For purposes of this Section, Government Obligations shall mean:

Direct and general obligations of the United States of America (which may consist of obligations of the Resolution Funding Corporation that constitute interest strips), or obligations that are unconditionally guaranteed as to principal and interest by the United States of America, or “prerefunded” municipal obligations rated in the highest rating category by Standard & Poor’s or Moody’s Investors Service. In the case of direct and general obligations of the United States of America, Government Obligations shall include evidences of direct ownership of proportionate
interests in future interest or principal payments of such obligations. Investments in such proportionate interests must be limited to circumstances where (a) a bank or trust company acts as custodian and holds the underlying United States obligations; (b) the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor of the underlying United States obligations; and (c) the underlying United States obligations are held in a special account, segregated from the custodian’s general assets, and are not available to satisfy any claim of the custodian, any person claiming through the custodian, or any person to whom the custodian may be obligated; provided that such obligations are rated or assessed “AAA” by Standard & Poor’s or “Aaa” by Moody’s Investors Service.

SECTION 20  Nonliability of County. Notwithstanding anything to the contrary contained herein, in the Bonds or in any other document mentioned herein, neither the County, nor its officials, officers, employees or agents shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, the Bonds are not a debt of the County or a pledge of the County’s full faith and credit, and the Bonds and any liability in connection therewith shall be paid solely from the moneys of the District.

SECTION 21  Indemnification of County. The District shall defend, indemnify and hold harmless the County, its officials, officers, agents and employees (“Indemnified Parties”) against any and all losses, claims, damages or liabilities, joint or several, to which such Indemnified Parties may become subject based in whole or in part upon any acts or omission related to the Bonds, except with regard to the County’s responsibilities under Section 22 hereof. The District shall also reimburse the Indemnified Parties for any legal or other costs and expenses incurred in connection with investigating or defending any such claims or liabilities.

SECTION 22  Request to County to Levy Tax. The Board of Supervisors of San Bernardino County (the “Board of Supervisors”) and officers of the County are obligated by statute to provide for the levy and collection of property taxes in each year sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds. The District hereby requests the Board of Supervisors to annually levy a tax upon all taxable property in the District sufficient to pay all principal and interest coming due on the Bonds in such year, and to pay from such taxes all amounts due on the Bonds.

SECTION 23  Other Actions, Determinations and Approvals.

(a) Officers of the Board, District Officials and staff are hereby authorized and directed, jointly and severally, to do any and all things and to execute and deliver any and all documents which they may deem necessary or advisable in order to proceed with the issuance of the Bonds and otherwise carry out, give effect to and comply with the terms and intent of this Resolution. Such actions heretofore taken by such officers, officials and staff are hereby ratified, confirmed and approved.

(b) The Board hereby appoints the financial institution named as such in the Official Statement as escrow agent (the “Escrow Agent”) for the Bonds and approves the form of Escrow Agreement, by and between the District and the Escrow Agent on file with the Secretary to or Clerk of the Board. The Authorized Officers, each alone, are hereby authorized to execute the Escrow Agreement with such changes as they shall approve, such approval to be conclusively evidenced by either individual’s execution and delivery thereof.
(c) The Board hereby appoints Piper Jaffray & Co. as the Underwriter and Stradling Yoeca Carlson & Rauth, a Professional Corporation, San Francisco, California, as bond counsel and disclosure counsel with respect to the issuance of the Bonds.

(d) The provisions of this Resolution may be amended by the Purchase Contract and the Official Statement.

SECTION 23 Resolution to Treasurer-Tax Collector. The Secretary to or Clerk of this Board is hereby directed to provide a certified copy of this Resolution to the Treasurer-Tax Collector of San Bernardino County immediately following its adoption.

SECTION 24 Continuing Disclosure. The District hereby covenants and agrees that it will comply with and carry out all of the provisions of that certain Continuing Disclosure Certificate executed by the District and dated the date of issuance and delivery of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof. Any Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District to comply with its obligations under this Section. Noncompliance with this Section shall not result in acceleration of the Bonds.

SECTION 25 Recitals. All the recitals in this Resolution above are true and correct and this Board so finds, determines and represents.
SECTION 26   Effective Date. This Resolution shall take effect immediately upon its passage.

However, upon completion of the Due Diligence Period, the Deposit shall become non-refundable such that should Escrow terminate as the result of any Buyer default, the Deposit shall be paid to Seller. Should Seller default in performance of this Agreement, Buyer shall be entitled to a refund of the Deposit including all accrued interest, in its entirety, and Seller shall be responsible for any Escrow fees. Should Escrow close, the Deposit plus all interest shall be applied towards the Purchase Price.

3.2 **Amount of Purchase Price.**

Escrow Holder will cause the Grant Deed to be recorded when (but in no event after the date specified in Section 5.1 below) it can issue the Title Policy in the form described in Article 6 below, and holds for the account of Seller the items described above to be delivered to Seller through Escrow, less costs, expenses and disbursements chargeable to Seller pursuant to the terms hereof.

If Buyer fails to deliver Buyer's Title Notice within said thirty (30) day period, Buyer shall be conclusively deemed to have disapproved the Preliminary Title Report and all matters shown therein.

(a) In the event Buyer delivers Buyer's Title Notice or Buyer is deemed to have disapproved of the Preliminary Title Report, Seller shall have a period of ten (10)
days after receipt of Buyer's Title Notice in which to notify Buyer of Seller's election to either (i) agree to attempt to remove the Disapproved Exceptions prior to the Close of Escrow; or (ii) decline to remove any such Disapproved Exceptions ("Seller's Notice"). Seller's failure to deliver Seller's Notice within said ten (10) day period shall be deemed Seller's election to decline to remove the Disapproved Exceptions. If Seller notifies Buyer of its election to decline to remove the Disapproved Exceptions, if Seller is deemed to have elected to decline to remove the Disapproved Exceptions, or if Seller is unable to remove the Disapproved Exceptions, Buyer may elect either to terminate this Agreement and the Escrow or to accept title to the Property subject to the Disapproved Exception(s). Buyer shall exercise such election by delivery of written notice to Seller and Escrow Holder within five (5) days following the earlier of (i) the date of written advice from Seller that such Disapproved Exception(s) cannot be removed; or (ii) the date Seller declines or is deemed to have declined to remove such Disapproved Exception(s).

(b) Upon the issuance of any amendment or supplement to the Preliminary Title Report which adds additional exceptions, the foregoing right of review and approval shall also apply to said amendment or supplement, provided, however, that Buyer's initial period of review and approval or disapproval of any such additional exceptions shall be limited to ten (10) days following receipt of notice of such additional exceptions.

(c) Nothing to the contrary herein withstanding, Buyer shall be deemed to have automatically objected to all deeds of trust, mortgages, judgment liens, estate taxes, federal and state income tax liens, delinquent general and special real property taxes and assessments and similar monetary encumbrances affecting the Property, and Seller shall discharge any such non-permitted title matter of record prior to or concurrently with the Close of Escrow.

5.2 Title Policy.

At the Close of Escrow, the Escrow Holder shall furnish Buyer with an Extended Coverage American Land Title Association ("ALTA") Policy of Title Insurance ("Title Policy") for the Buyer's interest, wherein the Title Company shall insure that title to the Property shall be vested in Buyer, containing no exception to such title which has not been approved or waived by Buyer in accordance with this Section. The Title Policy shall include any available title insurance, extended coverage or endorsements that Buyer has reasonably requested.

6. DUE DILIGENCE.

6.1 Scope of Due Diligence.

Buyer, for a period of ninety (90) days following the opening of Escrow ("Due Diligence Period"), shall have the right to make an analysis of the Property including of such engineering, feasibility studies, soils tests, environmental studies and other investigations as Buyer in its sole discretion may desire, to permit Buyer to determine the suitibility of the Property for Buyer's contemplated uses and to conduct such other review and investigation which Buyer deems appropriate to satisfy itself to acquire the Property. Buyer shall further have the right to make an examination of all permits, approvals and governmental regulations which affect the Property,
including zoning and land use issues and conditions imposed upon the Property by governmental agencies.

6.2 **Review of Documents.**

Within five (5) days of Opening of Escrow, Seller shall make available to Buyer true, correct and complete copies of all contracts which relate to the Property (together with any amendments or modifications thereto), and all reports or other documents in Seller’s possession, or required by this Agreement including a Natural Hazard Disclosure Report, respecting the physical condition of or prior uses of the Property, if any, and any other information in Seller’s possession or control reasonably requested by Buyer regarding the Property. Seller’s failure to provide Buyer with a complete copy of each document required to be delivered to Buyer pursuant to this Section shall automatically toll the Due Diligence Period one day for each day, or partial day, beyond the five (5) days described above that Seller fails to satisfy its obligations set forth in this Section.

6.3 **Entry for Investigation.**

(a) Subject to the conditions hereafter stated, Seller grants to Buyer, its agents and employees a limited license to enter upon any portion of the Property for the purpose of conducting engineering surveys, soil tests, investigations or other studies reasonably necessary to evaluate the condition of the Property, which studies, surveys, investigations and tests shall be done at Buyer's sole cost and expense.

(b) As a condition to Buyer's entry, inspection or testing, Buyer shall keep the Property free and clear of all materialmen's liens, lis pendens and other liens arising out of the entry and work performed under this Agreement.

6.4 **Approval of Due Diligence Matters.**

Buyer shall notify Seller in writing ("Buyer's Due Diligence Notice") on or before the Due Diligence Date of Buyer's approval or disapproval of the condition of the Property and Buyer's investigations with respect thereto (excluding title matters which are to be approved or disapproved pursuant to Section 6.1 above), which approval may be withheld in Buyer’s sole and absolute discretion. Buyer's failure to deliver Buyer's Due Diligence Notice on or before the Due Diligence Date shall be conclusively deemed Buyer's disapproval thereof. Buyer's disapproval or deemed disapproval of said matters shall automatically terminate this Agreement.

7. **CONDITIONS PRECEDENT TO CLOSE OF ESCROW.**

7.1 **Conditions to Buyer's Obligations.**

The obligations of Buyer under this Agreement shall be subject to the satisfaction or written waiver, in whole or in part, by Buyer of each of the following conditions precedent:

(k) Buyer's obligation to close the purchase of the premises is expressly conditioned upon its obtaining financing for the purchase of the premises upon the following terms and conditions:

(1) The total amount to be financed shall be no more than Ten Million Six Hundred Ninety Thousand Dollars ($10,690,000).

(2) Said financing shall be obtained through the sale of a portion of the general obligation bonds passed by election on November 4, 2008 ("Measure JJ").

Within 180 days after the opening of Escrow, Buyer shall deliver notice to Seller of its ability to obtain financing. If said financing cannot be obtained within the time set forth above, then this Agreement shall be rendered null and void and all sums paid or deposited by Buyer shall be returned to Buyer. The contingency period set forth above may not be extended except by express written consent of the Seller.

Buyer agrees to use its best efforts to obtain such financing.
(l) As of the Closing, Seller shall have performed each and all of the obligations to be performed by Seller under this Agreement prior to the Closing. Buyer shall give to Seller written notice of any default by Seller under this Agreement within five (5) days of Buyer's receipt of knowledge of any such default. The failure of Buyer to give written notice to Seller of a known default shall be deemed to be a waiver by Buyer of any claimed default by Seller.

7.2 Conditions to Seller's Obligations.

The obligations of Seller under this Agreement shall be subject to the satisfaction or written waiver, in whole or in part, by Seller of the following condition precedent:

(a) Escrow Holder holds and will deliver to Seller the instruments and funds accruing to Seller pursuant to this Agreement.

Seller shall give to Buyer written notice of any default by Buyer under this Agreement within five (5) days of Seller's receipt of knowledge of any such default. (l) Seller has the unimpeded power and authority to execute, deliver and perform Seller’s obligations under this Agreement and the documents executed and delivered by Seller pursuant hereto.

9. ESCROW PROVISIONS.

9.1 Escrow Instructions.

This Agreement, when signed by Buyer and Seller, shall also constitute Escrow instructions to Escrow Holder. If required by Escrow Holder, Buyer and Seller agree to execute Escrow Holder’s standard escrow instructions, provided that the same are consistent with and do not conflict with the provisions of this Agreement. In the event of any such conflict, the provisions of this Agreement shall prevail.

Escrow Holder shall deliver the Title Policy to the Buyer and instruct the San Bernardino County Recorder to mail the Grant Deed to Buyer at the address set forth in Section 12.4 after recordation. All funds received in this Escrow shall be deposited in one or more general escrow accounts of the Escrow Holder with any bank doing business in San Bernardino County, California, and may be disbursed to any other general escrow account or accounts. All disbursements shall be made by Escrow Holder’s check or by wire transfer if requested by the Seller. Seller shall also pay any fees and costs charged by any lender or other entity to obtain reconveyances or otherwise put title in the condition described in Section 6. Buyer shall pay one-half (1/2) of the Escrow fees and any non-standard coverage or endorsements requested by Buyer. All other costs of Escrow not otherwise specifically allocated by this Agreement shall be apportioned between the parties in a manner consistent with the custom and usage of Escrow Holder.

9.5 Termination and Cancellation of Escrow.
Time is of the essence in this Agreement. If Escrow fails to close as provided above, Escrow shall terminate automatically without further action by Escrow Holder or any party, and Escrow Holder is instructed to return all funds and documents then in Escrow to the respective depositor of the same with Escrow Holder. Cancellation of Escrow, as provided herein, shall be without prejudice to whatever legal rights Buyer or Seller may have against each other arising from the Escrow or this Agreement.

9.6 Information Report.

Escrow Holder shall file and Buyer and Seller agree to cooperate with Escrow Holder and with each other in completing any report ("Information Report") and/or other information required to be delivered to the Internal Revenue Service pursuant to Internal Revenue Code Section 6045(e) regarding the real estate sales transaction contemplated by this Agreement, including without limitation, Internal Revenue Service Form 1099-B as such may be hereinafter modified or amended by the Internal Revenue Service, or as may be required pursuant to any regulation now or hereinafter promulgated by the Treasury Department with respect thereto. The parties further agree that neither Buyer nor Seller shall seek to hold the other party liable for the disclosure to the Internal Revenue Service of any such information.

10. BROKERAGE COMMISSIONS.

Seller agrees to pay brokerage commission to Mimi Song Realty Group, Inc. an amount equal to two (2.0%) percent of the Purchase Price through escrow at closing. Buyer and Seller each agree to indemnify and hold the other party harmless from and against all liabilities, costs, damages and expenses, including, without limitation, attorneys' fees, resulting from any claims or fees or commissions, based upon agreements by it, if any, to pay a broker's commission and/or finder's fee to any party other than Mimi Song Realty Group, Inc.

11. RISK OF PHYSICAL LOSS.

Risk of physical loss to the Property shall be borne by Seller prior to the Close of Escrow and by Buyer thereafter. In the event that the Property shall be damaged by fire, flood, earthquake or other casualty, Buyer shall have the option to terminate this Agreement, provided notice of such termination is delivered to Seller within thirty (30) days following the date Buyer learns of the occurrence of such casualty. If Buyer fails to terminate this Agreement pursuant to the foregoing sentence within said thirty (30) day period, Buyer shall complete the acquisition of the Property, in which case Seller shall assign to Buyer the interest of Seller in all insurance proceeds relating to such damage. Seller shall consult with Buyer regarding any proposed settlement with the insurer and Buyer shall have the reasonable right of approval thereof. Seller shall hold such proceeds until the Close of Escrow. In the event this Agreement is terminated for any reason, Buyer shall have no right to any insurance proceeds.

12.2 Assignment and Vesting.

Buyer shall have the right to assign this Agreement or any interest or right hereunder or under the Escrow without the prior written consent of the Seller. Buyer shall also have the right to have title vested at Close of Escrow in the name of a designee (“Buyer’s Designee”). Buyer shall provide written notice to Escrow Holder and Seller of any assignment or election to vest title in Buyer’s Designee in sufficient time to assure the proper designation of Buyer’s Designee as the Vestee on the Grant Deed and all other Escrow Documents and so as to not delay Close of Escrow. Subject to the foregoing, this Agreement shall be binding upon and shall inure to the benefit of Buyer and Seller and their respective heirs, personal representatives, successors and assigns.

12.3 Attorneys’ Fees.

In any action between the parties hereto seeking enforcement of any of the terms and provisions of this Agreement or the Escrow, or in connection with the Property, the prevailing party in such action shall be entitled to have and to recover from the other party its reasonable attorneys’ fees and other reasonable expenses in connection with such action or proceeding, in addition to its recoverable court costs.

1.5. **Master Project Budgets/Master Project Schedules.**

1.5.1. **Master Projects Schedule Incorporation of Projects, Interim Housing and Secondary Effects.**

1.5.1.1. **Secondary Effects.** The Program Manager shall assess and determine the extent to which the construction of each of the Projects or the occurrence of construction-related activities in connection with a Project or a group of the Projects will or may have secondary effects upon other existing facilities or functions/activities ("Secondary Effects"). The Program Manager shall make recommendations to minimize or eliminate each Secondary Effect identified in connection with a Project or a group of Projects. If the Program Manager concludes that improvements or other remedial actions are necessary to mitigate or eliminate a Secondary Effect of a Project or a group of Projects, the Program Manager shall made recommendations to the District regarding the nature and scope of such improvements. If the District elects to proceed with implementation of the Program Manager's recommendations for improvements to mitigate/eliminate a Secondary Effect, such improvements shall be deemed a Project within the Building Program. The Projects and activities relating to mitigation/elimination of Secondary Effects accepted by the District for inclusion in the Building Program shall be incorporated into and reflected in the Master Projects Schedules prepared and maintained by the Program Manager hereunder.

1.5.1.2. **Interim Housing.** The Program Manager shall develop for review, comment and acceptance by the District a plan for re-locating occupants and functions in facilities affected by construction of the Project(s) or by Secondary Effects of the Projects ("the Interim Housing Plan"). At the commencement of the Programming Phase of each Project, the Program Manager shall assess and determine the extent of Secondary Effects resulting from construction, and the extent to which, if any, the Interim Housing Plan requires modification. If the District concurs with the Program Manager's recommendation(s) for the
modification of the Interim Housing Plan, the Program Manager shall take such measures as necessary to implement the modifications to the Interim Housing Plan accepted and authorized by the District.

1.5.3. **Final Master Projects Schedule.** The Final Master Projects Schedule shall: (a) incorporate the Projects, including additions, deletions or other modifications reflected in the Final Facilities Master Plan; (b) incorporate measures and sequencing to minimize construction-related disruptions or limitations to District operations and activities; (c) be submitted to the District Representative for review and comment. Upon District review and comment, Program Manager shall revise the Preliminary Master Projects Schedule and submit the revised Preliminary Master Projects Schedule for District review and comment; the review and revision process shall continue until the District has accepted the entirety of the Preliminary Master Projects Schedule. The Program Manager will update the Master Projects Schedule on a monthly basis or more frequently as may be requested by the District from time-to-time.

1.5.4. **Monthly Updated Master Projects Schedule.** During the Term of this Agreement, the Program Manager shall submit to the District Representative no later than the fifteenth (15th) day of each month, an updated Master Projects Schedule, setting forth the then current status of planning, design, bidding or construction of each of the Projects. If the then current status of planning, design, bidding or construction of a Project is delayed by thirty (30) or more days beyond the progress of that Project as indicated in the Final Master Projects Schedule, the Program Manager shall include a narrative description of the circumstances and factors contributing to such delays along with recommendations to the District for measures to be implemented to mitigate the effect of such delays and/or to expedite the progress of subsequent activities relating to the Project so that the progress of planning, design, bidding and construction of the Project conforms to that indicated for the Project in the Final Master Projects Schedule. The Program Manager shall implement such measures as directed or authorized by the District.

1.5.5. **Master Program Budget.**

1.5.5.1. **Funding Sources.** The Program Manager shall assist the District in: (a) ascertaining available funding sources to complete design, bidding and/or construction of the Projects, Secondary Effects and Interim Housing; (b) constraints and requirements for the District to secure funding from a funding source; and (c) measures to be implemented to secure funding from identified funding sources in the amounts identified. Material obligations of the Program Manager under this Agreement include without limitation: (a) its continuing assessment of potential funding sources available to the District to complete design, bidding or construction of the Projects; and (b) routine and regular verbal and written reports to the District Representative of potential

All information which Consultant acquires or becomes acquainted with during the period of this Agreement, whether developed by Consultant or by others, which Consultant has a reasonable basis to believe to be Confidential Information, or which is treated by the Company as being Confidential Information, shall be presumed to be Confidential Information.
5.3 **Property of the Company** - Consultant agrees that all plans, manuals and specific materials developed by the Consultant on behalf of the Company in connection with services rendered under this Agreement, are and shall remain the exclusive property of the Company. Promptly upon the expiration or termination of this Agreement, or upon the request of the Company, Consultant shall return to the Company all documents and tangible items, including samples, provided to Consultant or created by Consultant for use in connection with services to be rendered hereunder, including without limitation all Confidential Information, together with all copies and abstracts thereof.

**ARTICLE 7 - CONFLICT OF INTEREST AND NON-SOLICITATION**

7.1 **Conflict of Interest** - Consultant covenants and agrees not to consult or provide any services in any manner or capacity to a direct competitor of the Company during the duration of this Agreement unless express written authorization to do so is given by the Company’s President.

**ARTICLE 8 - RIGHT TO INJUNCTIVE RELIEF**

Consultant acknowledges that the terms of Articles 5, 6, and 7 of this Agreement are reasonably necessary to protect the legitimate interests of the Company, are reasonable in scope and duration, and are not unduly restrictive. Consultant further acknowledges that a breach of any of the terms of Articles 5, 6, or 7 of this Agreement will render irreparable harm to the Company, and that a remedy at law for breach of the Agreement is inadequate, and that the Company shall therefore be entitled to seek any and all equitable relief, including, but not limited to, injunctive relief, and to any other remedy that may be available under any applicable law or agreement between the parties. Consultant acknowledges that an award of damages to the Company does not preclude a court from ordering injunctive relief. Both damages and injunctive relief shall be proper modes of relief and are not to be considered as alternative remedies.
ARTICLE 9 - GENERAL PROVISIONS

9.1 Construction of Terms - If any provision of this Agreement is held unenforceable by a court of competent jurisdiction, that provision shall be severed and shall not affect the validity or enforceability of the remaining provisions.

9.2 Governing Law - This Agreement shall be governed by and construed in accordance with the internal laws of the State of California.

9.3 Complete Agreement - This Agreement constitutes the complete agreement and sets forth the entire understanding and agreement of the parties as to the subject matter of this Agreement and supersedes all prior discussions and understandings in respect to the subject of this Agreement, whether written or oral.

9.4 Dispute Resolution - If there is any dispute or controversy between the parties arising out of or relating to this Agreement, the parties agree that such dispute or controversy will be arbitrated in accordance with proceedings under American Arbitration Association rules, and such arbitration will be the exclusive dispute resolution method under this Agreement. The decision and award determined by such arbitration will be final and binding upon both parties. All costs and expenses, including reasonable attorney's fees and expert's fees, of all parties incurred in any dispute which is determined and/or settled by arbitration pursuant to this Agreement will be borne by the party determined to be liable in respect of such dispute; provided, however, that if complete liability is not assessed against only one party, the parties will share the total costs in proportion to their respective amounts of liability so determined. Except where clearly prevented by the area in dispute, both parties agree to continue performing their respective obligations under this Agreement until the dispute is resolved.

9.5 Modification - No modification, termination or attempted waiver of this Agreement, or any provision thereof, shall be valid unless in writing signed by the party against whom the same is sought to be enforced.

9.6 Waiver of Breach - The waiver by a party of a breach of any provision of this Agreement by the other party shall not operate or be construed as a waiver of any other or subsequent breach by the party in breach.

9.7 Successors and Assigns - This Agreement may not be assigned by either party without the prior written consent of the other party; provided, however, that the Agreement shall be assignable by the Company without Consultant's consent in the event the Company is acquired by or merged into another corporation or business entity. The benefits and obligations of this Agreement shall be binding upon and inure to the parties hereto, their successors and assigns.

9.8 No Conflict - Consultant warrants that Consultant has not previously assumed any obligations inconsistent with those undertaken by Consultant under this Agreement.
IN WITNESS WHEREOF, this Agreement is executed as of the date set forth above.
