In addition, he asked that the Trustees consider donating their retroactive pay and increase back to the college. It was brought to his attention that the last two webcasts were removed from the website and inquired to the reason behind this. Dr. O’Hearn responded that this was brought to his attention and that it would be investigated.

Trustee Denson: No comments.

Trustee Krause: Is hopeful that the campus climate is getting better. He feels that everyone should work together to get this solved. Encouraged everyone to attend the February Board meeting which is scheduled on Valentine’s Day.
