SUPERINTENDENT/PRESIDENT'S REPORT
Dr. O'Hearn reported that he attended the Accrediting Commission meeting on Thursday which provided him the opportunity to follow-up on the written report since their visit November 7th. The meeting went well with a couple of questions asked. He thanked everyone who participated and got us to this point. He expects to hear from the Commission within two weeks.

Personal success story presentations were made by nine students in the areas of Law Enforcement, CIDG, CIS, Medical Assisting and Nursing as a result of being students at Victor Valley College.

• Academic Senate – Academic Senate President Davis Tracy Davis reported that the VVC faculty are in the midst of compiling SLO assessment data for Fall 2012, which will be submitted before the end of the month. SLO workshops will be held in the spring 2013 semester which will assist faculty in assessing their program learning outcomes. In response to the December 11, 2012 Board meeting the Senate become concerned regarding the non-renewal of administrative contracts and noted that by not renewing the contracts this institution would not be in compliance with the ACCJC. On December 14, 2012, the Senate was relieved to see that the contacts were indeed renewed with the
exception of the college president's contract. The Senate is not sure how this action contributes to our reaffirmation of accreditation and is recommending that the Board comply with ACCJC recommendations for continuity and stability in VVC administration.
