

# VVCC Annual Enrollments

Full-Time Equivalent Students (FTES) :: 2004-05 through 2007-08

As of Annual Reporting July 15, 2008, VVCC is projected to post a 4.6% enrollment increase compared to last year. This growth represents a significant net increase over the losses suffered in the past 2 years: -2.7% in 2006-2007, and -2.8% in 2005-2006 (as reported to State on CCFS-320).
