MATH TUTOR/PEER ADVISOR STUDENT SUPPORT SERVICES VICTOR VALLEY COLLEGE

R E A L I Z E Y O U R A C A D E M I C G O A L S !

The Student Support Services Program at Victor Valley College is seeking **Math** Tutors to begin fall 2007. Tutors may work up to 20 hours per week, Monday through Friday.

What is Student Support Services?

The Student Support Services Program is a **TRiO Program** designed to increase retention and graduation rates, increase the transfer rate from two-year to four-year institutions and foster a climate that supports the success of eligible low-income and first generation college students.

Job Description: Provide tutoring assistance and peer mentoring to Student Support Services participants, attend orientations and workshops, assist with college tours and other duties as assigned by the Project Activity Director.

Starting Salary: Based on experience.

Minimum Qualifications:

- Must be a student in good academic standing at Victor Valley College (VVC) **OR** can be a VVC alumni enrolled and in good academic standing at a four-year college or university
- Must be enrolled in at least 9 units at VVC
- Must have a minimum overall GPA of 2.9
- Must have a minimum GPA of 3.0 in **math** and have completed one (1) 100 level **math** course with a grade of B or better
- Must be recommended and authorized by a full-time faculty member in the precise **math** course(s) he/she is allowed to tutor.

Desirable Qualifications:

- Current or former Student Support Services participant
- Peer advisor experience

Priority consideration will be given to work study applicants

Interested applicants should visit the Student Support Services office in Student Services II, Bldg. 50 to pick up an application or download the application from the web.
