Last First Middle Month Day Year

For information on preparing for your major, visit www.assist.org

OBJECTIVE: Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or the University of California system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

EXCEPTIONS: All campuses will accept IGETC except UC Berkeley's Haas School of Business and UC San Diego's Roosevelt and Revelle Colleges. Also, IGETC is not recommended for science, engineering, or other high unit majors at most campuses. These students should follow the general education pattern of the specific campus which they plan to attend.

CERTIFICATION: All areas of the IGETC must be certified prior to transfer. No partial certification is given for IGETC. Students are responsible for requesting IGETC certification by completing the REQUEST FOR CERTIFICATION OF TRANSFER GENERAL EDUCATION REQUIREMENTS form from Counseling. Each course must be completed with a grade of "C" or better.

DIRECTIONS: Circle courses taken at Victor Valley College, write in courses taken at other colleges with name of college, or write name of Advanced Placement exam passed with a minimum score of 3 which articulates with one of VVC's courses in that area.
