\*Don't miss out on this opportunity to get all your questions answered by the EOP Counselor/Admissions Coordinator from CSUSB.

*EOP - The Educational Opportunity Program is designed to improve access and retention of historically low-income and educationally disadvantaged students. EOP students have demonstrated motivation to perform satisfactorily at a CSU, but they have not been able to realize their full potential because of their economic or educational background. The program provides admission, academic and financial assistance to EOP-eligible undergraduate students.*
