

BP 2745 Board Self-Evaluation

The Board is committed to assessing its own performance as a Board in order to identify its strengths and areas in which it may improve its functioning.

To that end, the Board has established the following processes:

- A committee of the Board shall be appointed in April to determine the instrument or process to be used in Board self-evaluation. Any evaluation instrument shall incorporate criteria contained in these Board policies regarding Board operations, as well as criteria defining Board effectiveness promulgated by recognized practitioners in the field. The criteria for the Board's self-evaluation shall also include performance goals and objectives related to the District's and the Board's commitment to anti-racism, diversity, equity, and inclusion.
- The process for evaluation shall be recommended to and approved by the Board.
- If an instrument is used, all Board members will be asked to complete the evaluation instrument and submit them to the Board President.
- A summary of the evaluations will be presented and discussed at a Board session scheduled for that purpose. The results will be used to identify accomplishments in the past year and goals for the following year.
