Chapter 6

Security for District Property

BP 6520

The Superintendent/President shall establish procedures necessary to manage, control and protect the assets of the District, including but not limited to ensuring sufficient security to protect property, equipment, and information from theft, loss, or significant damage.

In case of an accident involving a District-owned vehicle, District Police shall be immediately notified, as well as the District's Risk Manager.

No loan of any District equipment is permitted for activities unrelated to District business.
