	Math 90-105	(3-5pm) Math 105-228	Math 90-105	(1-5pm) Math 90 & 120				

We will be offering online math tutoring sessions for students who need help in math but unable to come in the center during this unprecedented time. Our online tutoring sessions will begin tomorrow. Walk-in tutoring, workshops, and one-on-one appointments are still available at the Math Center.

These are the steps to get into the tutoring session:

- Students will need to log in to their Canvas account. If they have problems, contact the Help Desk at (760) 245-4271, ext. 2740, or servicedesk@vvc.edu.
- Click on the “Tutoring and Academic Support: Acad101” tile
- Click on “ConferZoom” located on the left.
- Click on the scheduled session based on the day and time. The tutor’s name and subject available to tutor will be listed.
- Click “Join”
