
Agenda item: Future Projects Update (5-Year Plan)

Presenter: Steve Garcia

Discussion:

The 5-Year Plan was submitted to the State. Steve thanked the committee for their input as it was crucial in the completion of this project.

Agenda item: Update on Long-Range Facilities Master Plan

Presenter: Bruce Baron

Discussion:

~ The 3rd draft of the Education Master Plan now includes all input and revisions from department chairs and Deans. It can be found online at the VVC Staff webpage www.vvc.edu/staff and hard copies will also be available. Another round of input will be asked for and hoping to finalize by early Fall. This plan feeds into finalizing the Facilities Master Plan.
~ Carrier Johnson to show 4 graphical depiction of how our facilities would look after implementation of these plans and will ask for feedback so that the 4 can be narrowed down to 1 depiction.

Agenda item: Update on General Obligation Bond

Presenter: Bruce Baron

Discussion:

~ Bruce briefly recapped information given at an earlier meeting today describing how we will proceed with campaigning for the Bond (Measure X).
~ The Bond effort will be titled "Citizens to Build VVC."
~ Campaign headquarters located across the street from the college.
~ Any ideas for contacts to reach should be directed to Ginger Ontiveros.
~ If the Bond passes, having funds to match the State's gives VVC higher points in the State's grading system – could secure up to \$100 Million State dollars.
~ If Bond passes, a Implementation Committee will be formed – could also become part of the FFG committee's purpose.

Agenda item: Update on Space Inventory

Presenter: Steve Garcia
