**Description:** *Fire Control 3B* - This course is designed to develop fundamental skills in combating structure fires by providing the students with a thorough understanding of fire behavior, ventilation procedures and techniques, interior fire attack, and exterior fire attack using a live-fire simulator. In many cases, this will be the fire fighter's first exposure to live structural fire fighting.

**Prerequisites:** Firefighter I Certificate

**Materials:** Students shall bring structural PPE, SCBA, spare bottle, mask, proof of current fit test and plenty of snacks/drinks.

**SFT Instructors:** Captain Scott Crouch, Captain James Peratt

**Registration:** To register for this course visit [https://shop.vvc.edu](https://shop.vvc.edu) and enroll.
