CONSULTING SERVICES AGREEMENT

This Agreement is entered into by and between MLS Technologies, Inc. DBA RecruitingEngine.com ("MLS"), a California Corporation, with offices at 12265 Scripps Poway Parkway, Poway, CA 92064 and Victor Valley Community College ("CLIENT") with offices at 18422 Bear Valley Rd., Victorville, CA 92392 and made effective as of the 19th day of August 2004.

MLS is in the business of providing technical personnel ("Consultant(s)") and CLIENT desires to retain the services of Consultant(s). In consideration of the covenants and agreements contained herein, MLS and CLIENT agree as follows:

1. SCOPE OF SERVICES

For any Consultant(s) who will be providing services to the CLIENT pursuant to this Agreement, MLS will issue and CLIENT will execute a Technical Service Order ("TSO") in the form attached to this Agreement as Appendix A. Such TSO will incorporate the terms and conditions of this Agreement and any additional terms to which MLS and CLIENT may choose to agree.

2. TIME RECORDS AND FEES

CLIENT shall promptly review for approval each week the time records and authorized expenses of Consultant(s). CLIENT’s approval of such time records and expenses as evidenced by its signature thereon shall constitute acceptance of the work performed by Consultant(s) and CLIENT’s agreement to pay MLS as stated herein. Acceptance by CLIENT shall not be unreasonably withheld and any refusal to accept shall be noted on the time record for the relevant week, with a written explanation of the reasons that the work was not acceptable. Failure to so note such refusal shall constitute acceptance.

3. BILLING AND PAYMENT

MLS will submit weekly invoices to the CLIENT for services provided by Consultant(s). These invoices will detail all charges applicable to Consultant(s) and in accordance with the rate(s) and terms of the TSO. CLIENT will pay MLS the total sum set forth in each invoice “Due Upon Receipt”, unless otherwise specified in the TSO. Any late invoicing by MLS shall not affect the obligation of the CLIENT to pay for the services covered by that invoice. All past due accounts will be assessed interest at the maximum rate allowable by state and/or federal law. Additionally, CLIENT warrants that it is able and willing to pay for the services of the Consultant(s) providing services under this Agreement.

4. CONSULTANT(S) NOT EMPLOYEES OF CLIENT

MLS and CLIENT agree that for purposes of FICA, FUTA, income tax withholding, as well as for purposes of any benefit or retirement plan maintained by CLIENT for its own employees, the Consultant(s) supplying services under this Agreement are not employees of CLIENT.

5. TERM OF AGREEMENT

This Agreement shall remain in effect until terminated by either party by giving 15 business days prior written notice to the other party. However, MLS or CLIENT may terminate such services immediately upon notice to the other party for cause or when termination is due to matters completely beyond the control of MLS or CLIENT. If any Consultant(s) providing services under this Agreement has terminated the relationship with MLS, and whether or not such termination is in violation of such Consultant(s)’s agreement with MLS, MLS shall notify CLIENT of such termination. The CLIENT will pay MLS for all work performed
and authorized expenses incurred under the applicable TSO up to and including the effective date of termination.

6. **SUBSTITUTION OR REPLACEMENT OF TECHNICAL PERSONNEL**

The work to be performed by the Consultant(s) providing services under this Agreement shall be set out by CLIENT and stated in the TSO. Because CLIENT has the opportunity to interview all Consultant(s) located by MLS prior to their commencement of any services for CLIENT, MLS shall have no liability to CLIENT if such personnel are determined by CLIENT not to meet its requirements and CLIENT shall not be relieved of making payments to MLS for the services provided by such personnel up to the time that they are terminated in accordance with this Agreement. However, if the services of any personnel providing services under this Agreement are terminated and CLIENT requests substitute personnel MLS hereby agrees, upon written request, to make reasonable efforts to replace the Consultant(s) with another of similar qualifications. In the event MLS is unable to locate a suitable replacement, the CLIENT may terminate the TSO.

7. **NON-SOLICITATION AND NON-RECRUITMENT**

During the period covered by any TSO and extensions thereof pursuant to this Agreement, or when CLIENT is provided with the name of any Consultant(s) but determines not to use the services of such personnel so that no TSO is written covering that personnel, and for one (1) year thereafter, CLIENT will not directly or indirectly, other than through MLS, solicit for hire, contract with, or engage or receive the services of, any Consultant(s) located by MLS for CLIENT, without first receiving written consent from the other party, except as specified in the TSO. Such request may be granted in the sole discretion of MLS and only if the CLIENT’s account is in good standing. If CLIENT has not negotiated a right to hire Consultant as indicated by the terms described above and in accordance with the TSO, CLIENT understands that if it does directly retain, employ, or contract with MLS Consultant in violation of these provisions, CLIENT will immediately pay MLS its standard fee for direct placement services of 30% of the Consultant’s expected annual earnings.

8. **CONFIDENTIALITY AND INTELLECTUAL PROPERTY RIGHTS**

MLS, its employees, or consultants understand and agree to keep confidential all CLIENT information so designated by the CLIENT. Any and all products, whether in final production or draft, which result from any work performed by any Consultant(s) providing services under this Agreement shall be deemed to be works for hire and all rights, title and interest, including any copyright, patent rights and all other intellectual property rights, shall belong exclusively to CLIENT unless some other arrangements have been agreed to by both parties or by CLIENT and such Consultant(s), as appropriate, in writing. Further, MLS agrees to provide assistance reasonably required to obtain and perfect its rights pursuant to this paragraph.

CLIENT may request the Consultant(s) covered by this Agreement to execute a separate agreement not to disclose the CLIENT’s Confidential information. CLIENT shall not request of the Consultant(s) providing services under this Agreement any information regarding the rate(s) and other terms of remuneration agreed to between MLS and such Consultant(s), nor shall CLIENT induce such Consultant(s) to provide such information, nor shall CLIENT disclose or permit to be disclosed to such personnel, directly or through another party, any information regarding the rate(s) or other terms of remuneration agreed to between CLIENT and MLS.

9. **INDEMNIFICATION, LIABILITY AND FORCE MAJEURE**

CLIENT agrees to indemnify and hold harmless MLS, its officers, directors, employees, consultants from and against any and all liability to third parties for bodily injury, death, or physical damage to tangible property to the extent caused by the negligent errors, acts or omissions of CLIENT.

MLS agrees to indemnify and hold harmless CLIENT, its officers, directors, employees, consultants and agents from and against any and all liability to third parties for bodily injury, death, or physical damage to tangible property to the extent caused by the negligent errors, acts or omissions of MLS’s Consultant.

In no event shall MLS be liable to CLIENT for damages to any property or person or for indemnification in an amount greater than the amount paid by CLIENT in connection with the performance of such services by
such personnel whose actions or omissions are the basis for such damages or indemnification; provided, however, that MLS shall not be liable for any damages whatsoever caused by any acts or omissions beyond its control or not due to its fault, or for any special or consequential damages, loss of profits or revenues, interest, penalties or fines; and provided further, that if CLIENT requests or directs that MLS perform an act or omit the performance of an act, and if MLS performs or omits the performance of such act as directed or requested, or if CLIENT approves, affirms or ratifies the performance or omission of any act of MLS, then notwithstanding anything in any section of this Agreement, CLIENT shall have no claim against MLS for liability or indemnification in connection with such act or omission to act.

Neither party shall be liable for delay in performance or failure to fulfill its responsibilities under this Agreement when such delay or failure is caused by acts of God, natural catastrophe, acts of governmental agencies, or similar causes beyond the control of such party. Should either party be unable to perform and obligation when due for reasons set forth above, such party shall immediately notify the other party.

10. ASSIGNMENT AND BINDING EFFECT

Neither this Agreement nor any interest hereunder may be assigned or otherwise transferred by either party to third parties other than affiliates of either party without the prior written consent of the other party which shall not be unreasonably withheld. This Agreement shall be binding upon and inure to the benefit of the heirs, successors, assigns, and delegates of the parties hereto.

11. NOTICES

All notices and other communications authorized or required by the provisions of this Agreement, unless otherwise specified in this Agreement, shall be in writing and shall be effective when delivered personally (including by Federal Express, Express Mail, or similar courier service) or following deposit of the same into the United States mail, certified mail, return receipt requested, first class postage prepaid, addressed to such party at the address set forth on page one (1) of this Agreement. Either party may designate, in writing, a different address by notice to the other given in accordance herewith.

12. SEVERABILITY

If any term or provision of this Agreement shall be found to be illegal or otherwise unenforceable, the same shall not invalidate the whole of this Agreement, but such term or provision shall be deemed modified to the extent necessary by the adjudication to render such term or provision enforceable, and the rights and obligations of the parties shall be construed and enforced accordingly, preserving to the fullest permissible extent the intent and agreements of the parties herein set forth.

13. COMPLETE AGREEMENT AND AMENDMENT

This Agreement and any written TSOs executed hereunder contain the entire agreement between that parties hereto with respect to the matters covered herein. CLIENT acknowledges that it is entering into this Agreement solely on the basis of the agreements and representations contained herein. This Agreement shall not be modified in any way except in writing signed by both parties and stating expressly that it constitutes a modification of this Agreement.

14. LAW AND DISPUTES

This Agreement shall be governed by the laws of State Of California. All claims against either party to this Agreement shall be brought by the other party no later than one (1) year after such claims have arisen (except for claims for non-payment for services, which may be brought within two (2) years after the last date of services for which payment is sought). Except as stated below in this section, any controversy or claim, whether such claim arises in contract, tort, or otherwise, including, but not limited to, claims for employment discrimination (whether under Title VII of the Civil Rights Act of 1964, as amended from time to time, the Age Discrimination in Employment Act, or state and local laws), arising out of or relating to this Agreement, or the breach thereof, or the commercial or economic relationship of the parties hereto, shall be submitted to arbitration in accordance the rules of the American Arbitration Association then obtaining as modified hereby.
