Construction Schedule

Phase One of the roadway construction will include Sections 4, 5, 6, 7 & 8 of the map below. The contractor will be on campus setting up their work area and traffic control areas beginning July 15th.

Between the 15th and the 24th, these areas will be repaired (crack fill) or repaved. Striping will take place between the 23rd and 24th.

Phase Two will begin July 27th and will repave Section 3 of the map. This work is scheduled to be completed by August 5th with cleanup of all areas also completed by this date.

Busses and Building Access

- The VVTA bus route will remain open and running as usual except during July 27 to August 5 when only the upper campus bus stop will be open.
- Traffic Control during Phase Two will allow access to all buildings located along Fish Hatchery Road with no alternative routes needed.
- For those that use the parking lots that are under construction, please use the next closest lot to your area or park in Lot 16.
- Elevator and building access for pedestrians will remain accessible throughout construction, however please give special attention to designated paths of travel and flagmen.

Farmer’s Market

The Farmer’s Market will be relocated for just two days during the summer roadway and parking lot construction.

On Thursday, July 23rd & 30th you can find the Farmer’s Market on the Northwest corner of Fish Hatchery and Bear Valley Roads, in the empty dirt lot next to the Adaptive P.E. Center building.

Have a question?

Feel free to call your Facilities Construction Department and we’ll try to help!
