2020–2021 Verification Worksheet Dependent/Independent Student

Aggregate

Your application was selected for review in a process called “Verification”. In this process, the financial aid office will compare information from your FAFSA with your 2018 IRS tax/untaxed income information. The law gives the college the right to ask you for this information before awarding Federal aid. If there is a difference between your FAFSA and IRS tax/untaxed income information, the college will make the correction electronically.

Complete this verification form and submit it to your financial aid administrator as soon as possible. The Financial Aid Office cannot process your application without this information.
