

Preparation for Transfer to
University of La Verne's
Accelerated Bachelor's Degree Programs in Victorville

The University of La Verne offers several bachelor degree programs at the High Desert Campus. To prepare for these degrees, complete the University of La Verne General Education requirements, or the CSU GE requirements, or the IGETC requirements. Some of these programs also require specific pre-major preparation as indicated below. Since the University of La Verne accepts up to 88 transferrable units, it is to your advantage to complete your Associate's degree, within which you satisfy all GE and pre-major requirements, before you transfer.

*For more information, and to learn of any updates to this sheet, please call the university at (760) 955-6440.
University of La Verne's website: <http://laverne.edu/locations/victorville>*

B.A., Business Administration

This program offers a broad exposure to the traditional areas of economics, marketing, management, and the financial disciplines.
*VVC preparation: ENGL 101; BADM 103 and BADM 104; ECON 101 and 102.
Recommended: ENGL 104, MATH 105, and MATH 120
Also available online.*

B.S., Child Development

This major is designed for students planning careers in early childhood education, in public or private schools (Pre-K), and/or in social service agencies. Note: This program does not specifically prepare students to take the CSET-MS, required of all elementary school teachers, as does the Educational Studies program (see below).
*VVC preparation: CHDV 106, 110, 160, 239, and CHDV 111 is recommended.
NOTE: ENGL 101 & 104, CHDV 106, 110 OR 150, AND 160 must be completed at the time of admission
Offered by cohort only at San Bernardino Valley College location.*

B.S., Health Administration

This non-clinical program prepares healthcare professionals to apply management, accounting, forecasting, and resource allocation techniques, and implement effective change management strategies in health-related organizations.
*VVC preparation: ENGL 101
Recommended: ENGL 104, MATH 90 or 105
Most courses offered at the Ontario Campus.*

B.A., Educational Studies

Designed to prepare K-6 teachers for elementary schools. You may follow the UC or CSU general education requirements, but to better prepare you for the CSET exam required of all teachers, University of La Verne recommends that you select certain courses from their General Education requirements list instead (see page 2 of this document and refer to the General Education Transfer Agreement Plan for University of La Verne on our website).
*VVC preparation: ENGL 101, 104, MATH 105, and Physical/Life Science is recommended
NOTE: ENGL 101 & 104 must be completed at the time of admission
Offered by cohort only.*

B.S., Organizational Management

Designed primarily for the working adult, this major focuses on enhancing management skills.
*VVC preparation: ENGL 101
Recommended: ENGL 104, MATH 90 or 105
Also available online.*

B.S., Public Administration

Developed for current and aspiring managers and administrators, this program focuses on theories, operations and procedures of public management.
*VVC preparation: ENGL 101
Recommended: ENGL 104, MATH 90 or 105
Some courses are to be taken online or at the Ontario campus.*

Preparation for Transfer to
University of La Verne's

Accelerated Bachelor's Degree Programs in Victorville

University of La Verne allows you to use the CSU GE requirements, the IGETC GE requirements, or the La Verne General Education-Breadth, to prepare for their programs. Transfer students will be required to complete the La Verne Experience requirements. ***If you are majoring in Educational Studies and are planning to become an elementary (K-6) school teacher, it is highly recommended that you select the courses with an asterisk(*) in order to be better prepared to pass the California Subject Examinations for Teachers (CSET).**

These requirements are subject to change. For further information, contact the university at (760) 955-6440.
Please visit the University of La Verne's Registrar Transfer and Evaluation Center website to confirm CSU and IGETC requirements:

<https://laverne.edu/evaluation/articulation/lvge-charts/>

Note that the math requirement can be fulfilled by taking one of the following University of La Verne courses: BUS 270 (Business majors) or MGMT 388 (all other majors), the preparation for which is VVC's Math 105 (Business majors) or Math 90 (all other majors).
