Background: Victor Valley College and Apple Valley Unified School District have worked within respective Career and Technical Education program divisions to secure numerous articulation agreements. These agreements allow AVUSD students to earn Victor Valley College credits for successful completion of the course content of our courses on this list. This work is a partnership between AVUSD career and technical education teachers and the instructors and department deans at Victor Valley College to align curriculum and student outcomes. This is a net benefit to our instructors and industry partners and preserves valuable time for work toward student outcomes for students who matriculate to VVC. This entire effort is now regionally coordinated by the Mountain Desert Careers Pathways JPA and so that similar courses across the region all earn the same articulation credit.The attached list reflects the most current list of agreements for articulated credit.

Fiscal Implications: There is no cost to extend the articulation agreements.

Apple Valley Unified School District to Victor Valley Community College District CTE Articulated Course Credit for 2021/22 Academic Year

Memorandum of Understanding

The list of courses contained within Appendix A of this agreement represent the mutually agreed upon comprehensive course list between Victor Valley Community College District, hereinafter referred to as Victor Valley College or VVC, and the Apple Valley Unified School District for the 2021/22 academic year. Articulation agreements are conducted on a district to district basis and include the list below.

Apple Valley Unified School District agrees to and will:

1. Ensure that each course named in the memorandum of understanding will meet the academic rigor of a college level course taught at Victor Valley College.
2. Ensure that each course meets with students at least the minimum hours for each specific class listed in the MOU as determined by Victor Valley College approved curriculum.
3. Ensure that each articulated course covers the content agreed upon as reflected within the approved course curriculum.
4. Ensure that only appropriately qualified instructors instruct articulated courses at the secondary school site if they are to be articulated with Victor Valley College.
5. Ensure the integrity of data being submitted to Victor Valley College. Data integrity shall be certified by the school site or district registrar.
6. Ensure that all students that are to receive articulated course credit have successfully completed the VVC application process.
7. All final grades must be submitted to VVC no later than the 3rd Friday in June *(2021/22 Academic Year - June 17, 2022).*

Victor Valley Community College agrees to and will:

1. Award college credit to high school and adult education students who earn an "A" or "B" in career-related, clearly identified articulated high school or CTE courses.
2. All grades submitted via the appropriate grade submission protocol shall be awarded and transcribed credit to the Victor Valley College transcript prior to the first day that incoming freshmen can register for classes.
