

How to...

Set-Up a Power BI (PBI) Account

1. From the VVC home page, go to My VVC

2. Click on the Power BI icon.

3. You will be prompted to either SIGN IN or TRY FREE (to create a new account). Choose as appropriate for your situation. For new accounts, please use your VVC credentials. Once account has been created, go to the IER dashboard page [here](#) (also available from the home page if you scroll AAAAAALLLLLLL the way down to “VVC Dashboard”), and pick your poison. As always, contact IER @x2414 or x2432 anytime for support.
