Dear Superintendent/President Wagner:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met February 29, 2016 to review the Substantive Change Proposal from Victor Valley College for the move of the Public Safety Classes and Programs from Victorville to the Regional Public Safety Training Center in Apple Valley.

The Committee acted to approve the substantive change for the new location and require a site visit. The site visit must take place within six months.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring academic integrity, effectiveness and institutional quality.

Sincerely,
