

TREATMENT OF PART-TIME FACULTY

Whereas, the Academic Senate recognizes the important role and contributions of its part-time applicant pool and sees deficiencies in how part-time faculty are engaged and treated; *and*

Whereas, part-time faculty are not given sufficient and flexible options for participating in campus events, activities and professional development workshops; *and*

Whereas, the Campus does not appear to regularly review its policies and practices to fully engage part-time faculty, including but not limited to providing clear expectations, orientation, mentorship, involvement in Student Success Initiatives, evaluation, recognition as well as a lack of designated space, support and acknowledgment; **be it THEREFORE resolved**

RESOLVED, the Academic Senate recommends the Campus Administration revisit all policies, practices and procedures to be more inclusive and welcoming to part-time faculty.
