<b>CSU General Education Certification</b>						
<b>Important Points:</b>						
1. Cannot be missing any of the "Golden Four" GE Areas: A1, A2, A3, and B4. If a student completes a course in a year it did not appear on the CSU General Education course list, it cannot be used for GE certification.						
2. A minimum of 60 units of transferable courses must be completed to transfer as a junior.						
3. Credit is awarded for either an honors or non-honors course, not both. For example, students may receive credit for Math 105 or Math 105H, not both.						
4. A single course may not fulfill more than one general education requirement even though it may be listed in more than one area.						
<b>Certification:</b> If not fully certified before transfer, students may be required to complete the general education pattern of the specific campus to which they transfer.						
1. VVC awards a student full or partial certification by subject area for completion of the lower-division general education transfer requirements.						
2. For full certification submit application for certificate to Admission and Records Office						
3. <b>Full Certification</b> - All areas completed with a minimum of 39 units. Full Certification after transfer is subject to the particular rules of the receiving university.						
4. <b>Partial GE Certification</b> before transfer can be provided in any Area. Submit certification form to Transfer Center.
