

**Victor Valley Union High School District to Victor Valley Community
College District CTE Articulated Course Credit
for 2023/24 Academic Year
Memorandum of Understanding**

The list of courses contained within Appendix A of this agreement represent the mutually agreed upon comprehensive course list between Victor Valley Community College District, hereinafter referred to as Victor Valley College or VVC, and the Victor Valley Union High School District for the 2023/24 academic year. Articulation agreements are conducted on a district to district basis and include the list below.

Victor Valley Union High School District agrees to and will:

1. Ensure that each course named in the memorandum of understanding will meet the academic rigor of a college level course taught at Victor Valley College.
2. Ensure that each course meets with students at least the minimum hours for each specific class listed in the MOU as determined by Victor Valley College approved curriculum.
3. Ensure that each articulated course covers the content agreed upon as reflected within the approved course outline and final exam.
4. Ensure that only appropriately qualified instructors instruct articulated courses at the secondary school site if they are to be articulated with Victor Valley College.
5. Ensure the integrity of data being submitted to Victor Valley College. Data integrity shall be certified by the school site or district registrar.
6. Ensure that students submitting for articulation credit are informed that courses articulated with VVC may or may not be awarded credit at California State University, University of California or other institutions to which a student may transfer.
7. Ensure that all students that are to receive articulated course credit have successfully completed the VVC application process.
8. All final grades must be submitted to VVC no later than the 3rd Friday in June (2023/24 Academic Year - June 21, 2024).

Victor Valley Community College agrees to and will:

1. Award college credit to high school and adult education students who earn an "A" or "B" on the VVC-approved final exam in career-related, clearly identified articulated high school or CTE courses.
2. All grades submitted via the appropriate grade submission protocol shall be awarded and transcribed credit to the Victor Valley College transcript prior to the first day that incoming freshmen can register for classes.
3. Victor Valley College transcripts will identify high school articulated CTE courses as "Credit by Exam," as required by California Code of Regulations Title 5. High school

courses articulated with VVC may or may not be awarded credit at California State University, University of California or other institutions to which a student may transfer.
