**ARTICLE 1
AGREEMENT**

- 1.1 This Agreement is made and entered into this 31st day of July, 2023, by and between Victor Valley Community College District, hereinafter referred to as the “District,” and California School Employees Association (CSEA) and its respective Chapter #584, hereinafter referred to as the “Association.”
- 1.2 The term of this Agreement will be from July 1, 2021, through June 30, 2024.

ARTICLE 2 RECOGNITION

- 2.1 The District confirms its recognition of CSEA and its respective Chapter #584 as the exclusive bargaining representative for those members of the classified service holding positions described as all full-time and part-time permanent and probationary classified employees including in Appendix A (permit and associate permit teachers).
- 2.2 All newly created positions of the classified service, as defined in Education Code 88003, which have not been identified by the District as supervisory, confidential or management, shall be added to the unit described in Appendix A.
- 2.3 Classified specials with appropriate titles will be added to Appendix D.

ARTICLE 3
NO DISCRIMINATION

- 3.1 No bargaining unit member shall be discriminated against by the District or the Association because of his or her political affiliations, or because of race, color, national origin, religion, disability, marital status, sex, gender, identity, gender expression, sexual orientation, or any other legally protected class.
- 3.2 Neither the District nor the Association shall unlawfully discriminate against any unit member because of rights guaranteed by the Educational Employment Relations Act. Such discrimination is subject to unfair practice procedures and shall not be grievable under Article 16 of this Agreement.

ARTICLE 4 DISTRICT RIGHTS

- 4.1 It is understood and agreed that the District retains all of its powers and authority to direct, manage and control to the full extent of the law. Included in, but not limited to those duties and powers are the right to: determine its organization; direct the work of its employees; determine the time and hours of operation; determine the kinds and levels of services to be provided, and the methods and means of providing them; establish policies, goals and objectives; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; build, move or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work not normally and customarily provided by the bargaining unit; and take action on any matter in the event of an emergency. In addition, the Board of Trustees, hereinafter referred to as the “Board,” retains the right to hire, classify, assign, evaluate, promote, transfer, layoff, reduce hours, terminate and discipline employees. The exercise of the foregoing powers, rights, authority, duties and responsibilities, by the District shall be limited only by the specific and express terms of this Agreement and any rights not addressed herein are left to the exclusive determination of the District.
- 4.2 The District retains its right to rescind policies and practices referred to in this Agreement in cases of emergency. The determination of whether or not an emergency exists is solely within the discretion of the Superintendent/President, with notification to the Board of Trustees.
- 4.3 Definition of Emergency: An unforeseen combination of circumstances, or the resulting state that calls for immediate action on a temporary basis, or an urgent need for assistance or relief, such as an event or situation which threatens serious damage to human welfare or property.

ARTICLE 5 HOURS AND OVERTIME

5.1 WORKWEEK

The standard work week shall be forty (40) hours.

5.2 WORKDAY

The District has the right to set the initial hours upon creation of a new position or for a vacant position. Any changes to an existing employee's shift hours, length of work day or days worked per year shall be negotiated prior to implementation. The District may employ persons in bargaining unit positions who have a regular, minimum assignment of less than eight (8) hours per day and/or forty (40) hours per week. Such positions shall be deemed regular "part-time" positions.

5.3 LUNCH/BREAKS

5.3.1 All bargaining unit members who work an assigned work day of six (6) hours or more shall be entitled to two (2) fifteen (15) minute breaks, one in the morning and one in the afternoon. All bargaining unit members who worked an assigned work day of six (6) hours or more shall also be entitled to a lunch break of one-half hour unless lengthened under 5.3.2 below.

5.3.2 Bargaining unit members may combine the morning and afternoon breaks with their lunch in order to have a one (1) hour lunch break, thirty (30) minutes of which will be duty free. Lunch breaks shall be scheduled by mutual agreement between the supervisor and employee based upon the needs of the Department. Neither the district nor the employee may schedule a lunch hour and/or break at the beginning or end of the work day. Approval of any requested change in lunch breaks shall not be unreasonably withheld and shall be justified in writing to the employee.

5.4 ORDER OF SENIORITY

For purposes of overtime in this article only, order of seniority shall mean seniority in the same classification (job title) at that work location in the department. A current classified seniority list is attached as Appendix C. An updated seniority list shall be maintained by the District and available to CSEA during the term of this contract upon request.

5.5 OVERTIME AND COMPENSATORY TIME

5.5.1 **OVERTIME:** All overtime hours shall be compensated at the rate of one and one-half (1 ½) the regular rate of pay. Overtime is defined as any time required to be worked in excess of eight (8) hours in any one day and/or in excess of forty (40) hours in any one calendar week. Classified employees whose average workday is less than eight (8) hours per day shall be paid straight time up to eight (8) hours

per day for five days and will be compensated at time and one-half for work on the sixth and seventh consecutive day. Overtime hours do not affect fringe benefits; nor do overtime hours count toward vacation, longevity, completion of probation, or step advances. Any classified employee required to work overtime specified in Article 10 shall be paid compensation, or granted compensatory time off, at the rate of time and one-half (1½) in addition to the regular pay as set forth in Article 5.6. Overtime must be pre-approved by the supervisor and area Vice President prior to commencement of any work.

5.5.2 COMPENSATORY TIME

5.5.2.1 A classified employee shall have the option to request compensatory time in lieu of cash compensation for overtime work. However, based upon District needs, the District may designate in advance that overtime assignments are being offered on compensatory time-only basis. Compensatory time (except that accrued on holidays) shall be accrued at a rate of one and one-half (1½) times the hours worked.

5.5.2.2 Compensatory time worked on established holidays shall be accrued at straight time plus one and one-half (1 ½) times the holiday rate, for a total of two and one-half (2½) times the hours worked.

5.5.3 The option of taking compensatory time must be requested from the classified employee's supervisor and must be scheduled and taken within the fiscal year it is earned. In the event the compensatory time is not used within the fiscal year it is earned, it will be paid to classified employee in the first paycheck for the new fiscal year at the rate in which it was originally earned.

5.5.4 When a classified employee chooses to attend a conference/workshop, etc., which lasts beyond the normal workday or workweek, no overtime or compensatory time shall accrue for such hours.

When the District requires attendance at a conference/workshop, etc., which exceeds the normal workday or workweek, the employee may choose overtime or compensatory time only for those hours of scheduled conference activities.

5.6 OVERTIME DISTRIBUTION

5.6.1 Overtime work first shall be distributed within the appropriate classification (job title) within the department by seniority rotation (see example), then among qualified classified employees in the same department at each work location by seniority rotation, taking into consideration the nature of the work to be performed and the needs of the District. Each employee offered overtime shall have twenty-four (24) hours to respond in non-emergency situations. Failure to respond within twenty-four (24) hours will be considered a declination, and the offer will move to the next person in the rotation.

- 5.6.2 In the event that not enough classified employees in the Department accept the overtime, the supervisor shall offer the overtime to all qualified classified employees on a first come first serve basis.
- 5.6.3 A qualified employee is a classified employee that has sufficient training and experience to demonstrate the Knowledge and Abilities for the position, based on the duties to be performed.
- 5.6.4 Rotation [See also Overtime Distribution Chart, Appendix E.]
- 5.6.4.1 A notice of overtime opportunities for employees outside of the department shall be emailed to the classified group active directory list.
- 5.6.4.1.1 The email notice shall include a description of the event or services needed, the date and time for the services to be performed, an estimate of the amount of time anticipated, the qualifications required to perform the project.
- 5.6.4.1.2 The email notice shall be posted at least five days in advance, or as soon as possible after the District becomes aware of the need for overtime, whichever is less. Employees shall be given at least twenty-four hours to indicate interest in the overtime.
- 5.6.4.2 Order of Distribution:
1. Overtime opportunities are first offered to qualified Employee(s) in the appropriate classification (Job Title) within the department;
 2. Then to qualified Employee(s) in that department; and
 3. Then to all qualified classified employees.
- Article 5.7.2 shall apply in the event that insufficient number of qualified classified employees accept the overtime.
- 5.6.5 Employees who have specifically requested to be scheduled off on a holiday, personal day, or vacation shall not be eligible for recall for overtime.
- 5.6.6 In emergency situations as defined by this section, the provisions of Section 5.6 may be suspended, and employees may be called for overtime out of order. An emergency consists of an unforeseen combination of circumstances, or the resulting state that calls for immediate action on a temporary basis, or an urgent need for assistance or relief, such as an event or situation which threatens serious damage to human welfare or property. In such circumstances, the District shall notify the CSEA President of the emergency situation as soon as possible.

5.7 **CALL BACK TIME**

A classified employee shall be called back after hours by seniority. “Call back” time is when: 1) an employee is requested to come into work on a day when the employee is not regularly scheduled; 2) an employee is requested to come in on a day when the employee is scheduled, but prior to the employee’s assigned start time; or 3) when an employee is requested to come back to work after the employee has already left work for the day.

5.7.1 If an employee is called-back or called-in prior to the start of their shift or after the end of their shift or on a weekend, the employee shall be compensated a minimum of two (2) hours at time and one-half (1 ½) times the hours worked, unless it is holiday time which shall be compensated at straight time plus one and a half (1 ½) times holiday pay, for a total of two and one-half time (2 ½) times the hours worked. If an employee is called back within the initial two (2) hours, there shall be no additional compensation. Anything after the initial two (2) hours shall be compensated at the time and one-half (1 ½) or two and one-half time (2 ½) times the hours worked, whichever applies.

Classified employees contacted for consultation or advice outside their normal work hours that does not require them to return to campus shall be compensated in 15 minute increments at the overtime rate or holiday rate as it applies.

5.7.2 In the event that an insufficient number of classified employees are available, the District shall have the right to do what is necessary to complete the work, so long as it is in compliance with applicable law.

5.8 **RIGHT OF REFUSAL**

A classified employee shall have the right to refuse an offer of, or request for overtime, call-back, or call-in time except in case of emergency. The declaration of emergency shall be the prerogative of the District. Where an emergency is declared to exist that threatens to halt, impede, or impair the operation of the college, the classified employees are bound to comply.

If no classified employee is available, Article 5.7.2 shall apply.

5.9 **SHIFT DIFFERENTIAL COMPENSATION**

A classified employee regularly assigned so that one-half or more of his/her daily work schedule is between 12 midnight and 6 a.m. shall receive a shift differential premium of five percent (5%) above the regular rate of pay.

5.10 **FOUR-DAY AND OTHER ALTERNATE WORK WEEK SCHEDULES**

5.10.1 Summer Four-day Workweek:

5.10.1.1 As an alternative to Article 5.5, during the term of this agreement for the period between the end of the spring semester and two weeks prior to the beginning of fall semester, the District will establish two four-consecutive-day workweeks to be Monday through Thursday and/or Tuesday through Friday. The workday will be ten hours and thirty minutes per day for full-time employees. Bargaining unit members may combine the morning and afternoon breaks with their lunch in order to have a one (1) hour lunch break in accordance with Article 5.3.2 above.

5.10.1.2 Examples of a typical, full-time regular summer workday would be:

7 a.m. to 5:30 p.m. with a duty-free lunch of thirty minutes.

8 a.m. to 6:30 p.m. with a duty-free lunch of thirty minutes.

5.10.1.3 The District shall notify employees of the schedule for the summer by May 1 of each year.

5.10.1.4 The following departments or portions of these departments may be required to continue to operate under the normal five-day work week during the summer:

Child Development Center
Maintenance & Operations
Biological Sciences
PAC
IT/MIS/IMS/Telecom
Campus Police
Bookstore Employees During Inventory Review (not to exceed 1 week)
Aviation
Agriculture and Natural Resources

5.10.1.5 If a 4/10 summer schedule is offered and it is determined that the above departments or portions of these departments will be required to operate under a normal five-day work week, the District shall notify the employees in the department by May 1.

5.10.1.6 Upon providing such notice, CSEA may request to meet with the District to discuss whether an alternative staggered four-day workweek in the department is feasible in order to meet the operation needs of the District and provide necessary coverage.

5.10.2 Notwithstanding the above, the District may establish positions, recruit for, and hire employees under an ongoing 4/10 or other alternative workweek schedule (e.g., 9/80). Any changes to an employee's alternate workweek schedule shall be subject to the provisions of Article 5.2 above.

5.10.3 Employees hired under an alternative schedule pursuant to this Article shall be entitled to overtime when assigned to work in excess of the alternate assigned workday or in excess of forty hours per week.

5.10.4 For employees on a four-consecutive-day or other alternative schedule, vacation and sick leave will accrue and be used on an hourly basis to avoid any changes in vacation earned or taken under the normal five-day, forty-hour week. (See Article 10.1.2, Holidays.)

5.11 **TEMPORARY CHANGE IN HOURS**

5.11.1 Notwithstanding Article 5.1, whenever in the best interest of the classified employee and the District, the classified employee and the classified employee's supervisor may mutually agree to a temporary change of up to one hour and up to a three (3) month period in the unit member's regular reporting time. Any change in a classified employee's start time will be memorialized in an email to the employee with a copy to the Association President on or before the effective start date.

5.11.2 Nothing herein is deemed to be a waiver of the classified employee's right to representation.

ARTICLE 6
EXPENSES AND MATERIALS

- 6.1 The District shall provide tools and equipment it requires for use by unit members in the performance of their assigned duties including but not limited to uniforms and personal protective equipment.
- 6.2 Unit members shall be responsible for the loss and damage resulting from the negligence of the employee of all tools, equipment, keys, uniforms, etc. issued to them by the District.
- 6.3 All such District property shall be returned to the District upon termination of employment or as otherwise directed by the District.
- 6.4 Unit members shall reimburse the District for all items lost, damaged or stolen as a result of the unit member's failure to exercise reasonable care.

ARTICLE 7 UPWARD MOBILITY

7.1 The purpose of the Victor Valley College classified employee Upward Mobility Program is to assist and enable permanent classified employees to achieve their career goals at Victor Valley College. Time spent towards the Upward Mobility Program must be approved by the immediate supervisor. The time away from the job duties for coursework must be reported on the monthly absence report through vacation time. Cross-Training and Job Shadowing shall only be for a period of up to twelve (12) months with a start and end date.

7.2 Request for Approval

A bargaining unit member who wishes to have courses or activities approved for reimbursement will fill out the Upward Mobility Program forms and submit them via email, or in person, to the Upward Mobility Committee chairperson for committee review.

An Upward Mobility Committee shall consist of:

- The Vice President of Human Resources, and
- One (1) other administrative employee appointed by the Superintendent/President, and
- Two (2) classified employees appointed by the Association.
- The four (4) committee members shall then appoint a District employee as a fifth committee member.
- The Committee members shall serve two (2) alternating year terms, except for the Vice President of Human Resources.

The Upward Mobility Committee shall review all requests and materials submitted by the applicant and take action on the requests within thirty (30) calendar days upon receipt of a completed request. The employee and the employee's supervisor, shall be notified of the committee's decision.

7.3 The classified employee Upward Mobility Program at Victor Valley College will include:

7.3.1 Career Plan

The opportunity shall be offered to all permanent classified employees to identify their career goals at Victor Valley College. The employee, in cooperation with his/her supervisor, the Office of Human Resources representatives, and/or counselors, will formulate a plan for reaching his/her career goal at Victor Valley College. The plan is to specifically define course work, degrees, job shadowing opportunities, and mentoring opportunities, which will prepare the employee for his/her career goal. The career plan provides opportunities and prepares classified employees to the extent possible towards reaching their career goals. Completion

of a career plan does not guarantee a promotion or new position at Victor Valley College, but the skills, training and education gained through the completion of the plan may provide classified employees an opportunity for advancement

When necessary, the plan is to be updated or revised to reflect career goal changes. The official career goal plan is to be retained in the Office of Human Resources. See Appendix B, Ba, Bb.

7.3.2 Evaluation of College/University Classes

Classified employees will be able to complete lower division courses taken at Victor Valley College and/or upper division course work taken at any accredited four-year college or university as outlined in the employee's career plan. The college or university must be accredited by an accrediting agency approved by the United States Department of Education.

All courses shall be submitted for approval prior to course enrollment. Courses submitted for approval after the course has begun will not be approved. See Appendix B1a.

Employees will be reimbursed for the cost of required books, required course materials, and registrations fees upon satisfactory class completion with a grade of "C" or better. Each classified employee is responsible for submission of verification of completion and all documents necessary to apply for the reimbursement. See Appendix B1, B1a, B1b.

7.3.3 Training Leave

After supervisor and area vice president approval, the Board of Trustees may grant to a classified employee a training leave after five years of continuous full-time service. Such leaves may be up to three months at the employee's regular pay or up to six months at 60 percent of the employee's regular pay. The period for qualifying for another leave will commence at the termination of the leave.

The employee must provide the Board of Trustees with a detailed plan which relates directly to achieving his/her Victor Valley College career goal. Failure to fulfill the plan may result in disciplinary action. The employee must agree to continue employment with the District for at least two years after returning to service or return the emolument (salary and/or allowance, etc.). Any employee who is granted training leave shall agree in writing to file a bond with the District, which shall enable the District to reclaim any remuneration granted the employee while on leave in the event the employee does not return to the District.

Training leaves shall not be deemed a break in service, nor shall employees earn vacation days, sick leave or holiday pay provided under this agreement. Depending upon district finances, up to two full-time equivalent training leaves may be granted each year by the Board of Trustees. See Appendix B2, B2a.

7.3.4 In-Service Training Time

Classified employees are encouraged to participate in workshops and seminars offered through the Victor Valley College Employee Professional Development Program which relate to their VVC career goals. They are also encouraged to participate in other training opportunities provided through the VVC Employee Professional Development Program. Unit members must receive prior approval from their supervisor before participating in in-service training. See Appendix B3.

See Appendix B6, B6a.

7.3.8 Cross Training

Classified employees may be provided cross training opportunities to learn the skills and responsibilities of another position related to their career plan. The specific schedule to perform these activities must be agreed upon by the supervisor and classified employee. No overtime shall be issued to accomplish the cross training assignment. See Appendix B7, B7a.

7.4 Reimbursement Process

Upon receipt of the approved participant's necessary documentation by each semester's respective deadline, or by the last business day following the deadline if deadline is not a work day. The District will determine each approved participant's proportionate share of reimbursement based upon the total amount of qualified requests.

The District will process and reimburse all qualified requests for reimbursement for approved participants in the Upward Mobility Program within forty (40) working days after each term's respective deadline.

The District will distribute up to \$12,500 each semester and \$4,500 each winter and summer among all classified participants who qualify for reimbursement on a proportional basis. For example, if by February 15, the District receives total requests for qualified reimbursement in the amount of \$25,000, the total amount available for reimbursement is \$12,500. ARTICLE 8 SALARY

- 8.1 The salary schedule attached as Appendix D shall remain in effect for the fiscal year 2021-2022 through 2023-2024. The parties agree that all classified bargaining unit members will be granted an on schedule, salary increase calculated as follows:
- 8.1.1 2021-2022:
- a. After agreement is reached on all job classifications, each classified employee employed as of the date of ratification and approval of this Agreement, shall be placed on the appropriate range and step of the new salary schedule (“New Salary Schedule”) (Appendix D) recommended by the 2020-2021 Classification and Compensation Study, effective July 1, 2021. 13.2.2 When a bargaining unit member is assigned to perform the duties of an employee of the District in a higher classification for more than five (5) working days within

a fifteen (15) calendar day period, his or her salary shall be adjusted upward for the entire period the duties were performed.

13.2.3 When assigned to duties normally performed by an employee of the District in a higher classification or a management position, the member shall receive the salary range assigned to the higher classification on the lowest step which will give an increase of at least 5% over the member's regular salary.

13.2.4 Service in an out-of-class assignment may be noted as prior experience for purposes of future application or promotional opportunities, but not as a current or former position for layoff or bumping purposes.

13.2.5 Vacant Positions - Assignments to fill vacant positions, while in recruitment, shall not exceed six (6) months unless mutually agreed upon between the District and CSEA in writing.

13.3 USE OF SUBSTITUTE EMPLOYEES IN VACANT POSITIONS

13.3.1 A substitute employee as used in this section, means any person employed to replace any classified employee who is temporarily absent from duty. In addition, if the District is then engaged in a procedure to hire a permanent employee to fill a vacancy in any classified position, the District may fill the vacancy through employment, for not more than sixty (60) calendar days, with a substitute employee, unless mutually agreed upon between the District and CSEA in writing.

If the District is actively engaged in recruiting and hiring a permanent classified employee for the vacancy and a suitable candidate with appropriate qualifications cannot be found, or if a candidate requests a delayed start date, the District may utilize substitute personnel as defined in Article 13.3.1 for an additional thirty (30) day period during recruitment, unless otherwise extended by mutual agreement. In no case shall a substitute be employed for more than 195-days during an academic year.

13.3.2 The District and CSEA shall meet on the necessity to extend the assignment only by mutual agreement.

13.4 TEMPORARILY ASSIGNED A MANAGEMENT POSITION

When a bargaining unit member is temporarily assigned to a management position for which education and experience requirements or the equivalent are met the assignment shall reflect the beginning and ending date of the temporary management assignment. These assignments shall not be construed as a “break in service”.

13.5 CLASSIFIED SPECIALS

13.5.1 Pursuant to Education codes 88035 and 88036, classified specials are entitled to holiday, vacation, sick and health & welfare benefits on a pro-rata basis.

13.5.2 Classified Specials are identified as on call employees who work more than 195 days per year and can be directed to work up to twenty (20) hours per week. They can work varied hours but if they work an eight (8) hour shift, Article 5.3 will apply.

Classified Specials are employees within the classified service that perform duties of classified bargaining unit classifications intermittently as described in this subsection.

13.5.3 Those Association members identified as Classified Specials shall be paid holidays in accordance with the Collective Bargaining agreement. Classified Specials will be eligible for holiday pay ONLY for those months in which they are in actual paid status on the days before or after the holiday.

13.5.4 The Classified Specials are members of the classified service and entitled to all Association benefits.

13.5.5 Classified Specials who decline all offered assignments for twelve (12) months and during their employment with the District will be terminated.

13.5.6 Employees who are less than full time and at least 19 - 29 hours per week shall have the option to waive health benefits (medical) offered by the District.

ARTICLE 14 EVALUATIONS

- 14.1 Evaluations are a process by which a unit member's performance and conduct on the job are measured in accordance with District standards and expectations. As part of this process, positive and open communications between the unit member and the immediate supervisor are encouraged. Evaluations should reflect a unit member's strengths and weaknesses with the general objective of maintaining or exceeding District standards and expectations. It is also the mutual obligation of the employee and supervisor to compare the job description with the duties during the evaluation process.

The purpose of this evaluation is to assess the employee's performance, and is intended as a tool for constructive feedback. Performance evaluations can be used as evidence in a disciplinary process.

- 14.2 All permanent unit members shall be evaluated annually during the first three years of employment by the immediate supervisor, provided the manager has supervised for at least one year. If less than one year, then evaluation shall be based on the length of time of the evaluator's supervision. The written evaluation and the conference in connection therewith between the unit member and the immediate supervisor shall occur within the month of the unit member's anniversary date in the position. If deemed necessary, additional evaluations may be scheduled by the immediate supervisor.

- 14.3 All newly hired unit members except for full-time peace officers shall serve a probationary period of six (6) months. All probationary unit members shall be evaluated at the end of the second (2nd) and fourth (4th) month of the probationary period. Failure to evaluate a probationary unit member as required by this article shall in no way affect a decision to terminate the unit member during the probationary period.

All newly hired full-time peace officers shall serve a probationary period of twelve (12) months. All probationary unit members shall be evaluated at the end of the fourth (4th) and tenth (10th) month of the probationary period. Failure to evaluate a probationary unit member as required by this article shall in no way affect a decision to terminate the unit member during the probationary period.

- 14.4 A probationary or permanent unit member who is reassigned into another classification and is serving a four (4) month trial service period in the new classification shall be evaluated at the end of the third (3rd) month of such four (4) month trial service period.

- 14.5 All evaluations shall be based upon job performance factors as outlined in the Performance Evaluation Form.

14.5.1 The immediate supervisor shall meet with each unit member within the timelines above and provide the unit member with a copy of his or her evaluation.

14.5.2 In the event a unit member is given a rating of “1” (Unsatisfactory) or “2” (Requires Improvement) on any performance factor, a separate meeting shall be scheduled to develop an improvement plan to address the unsatisfactory rating:

14.5.2.1 The immediate supervisor and employee shall discuss during the meeting:

- The reasons for the unsatisfactory rating
- The immediate supervisor’s expectation of the goals and objectives for improvement in job performance to meet the standards for the employee’s present job; and
- A clear and concise written plan as to how the employee can work towards accomplishing those goals and objectives and the supervisor’s expectations during the next evaluation period.

14.5.2.2 Both the performance objectives and the plan for achieving these objectives shall be put in writing based upon the discussion between the immediate supervisor and the employee.

14.5.2.3 Permanent employees shall be re-evaluated in thirty (30) to ninety (90) days.

14.5.2.4 At this performance improvement meeting, unit members shall be entitled to bring a CSEA representative.

14.5.3 The employee shall sign the evaluation acknowledging that he or she has discussed it with the immediate supervisor and indicate whether or not there is agreement with the ratings. The employee shall further be notified of the right to submit a written response, which is to be attached to evaluation and placed in his or her personnel file.

14.6 A sample of the evaluation form to be utilized in the evaluation process is contained in Appendix F.

**ARTICLE 15
LAYOFF AND REEMPLOYMENT**

15.1 REASON FOR LAYOFF

Bargaining unit members shall be subject to layoff for lack of work or lack of funds. A classified employee may not be laid off if a short-term employee is retained to render a service that the classified employee is qualified to render. The district agrees to not unilaterally transfer bargaining unit work without first meeting and negotiating with CSEA. The District and CSEA shall bargain the effects of the layoff.

15.2 NOTICE OF LAYOFF

- (a) When, as a result of a bona fide reduction or elimination of the service being performed by any department, classified employees shall be subject to layoff for lack of work for the ensuing year, and the affected employees shall be given notice in writing of layoff not later than March 15th, and shall thereafter be subject to the procedures and timelines set forth in Education Code Section 88017.
- (b) Notwithstanding Article 15.2(a) above, when, as a result of the expiration of a specially funded program, a classified position/s must be eliminated at the end of any school year, and classified employees will be subject to layoff for lack of funds, the employees to be laid off at the end of the school year shall be given written notice on or before April 29 informing members of their layoff effective at the end of the school year and of their displacement rights, if any, and reemployment rights. If the termination date of any specially funded program is other than June 30, the notice shall be given not less than 60 days prior to the effective date of their layoff.

15.3 ORDER OF LAYOFF

Layoffs shall be in reverse order of seniority within a classification, to be determined by the length of service within the class.

15.3.1 Length of service means all days in paid status, whether during the school year, a holiday, recess or during any period that the college is in session or closed, but does not include any hours compensated solely on an overtime basis.

15.3.2 Pursuant to Education Code 88127, classified employees shall be subject to layoff for lack of work and/or funds. Whenever a classified employee is laid off, the order of layoff within the classification shall be determined by length of service. The employee who has been employed the shortest time in the classification, plus higher classifications, shall be laid off first. Reemployment shall be in the reverse order of layoff.

15.3.3 If two or more bargaining unit members subject to layoff have equal classification, seniority, plus seniority in higher classifications, the determination of layoff will be made on the basis of the greater hire date seniority including adjusted hire date as reflected in Appendix C, and if that be equal, then the determination shall be made by lot, in the presence of the bargaining unit members in question and, upon request of the bargaining unit members, one representative of the exclusive representative.

15.3.4 Nothing contained in this section shall preclude the granting of length of service credit for time spent on military leave of absence, or unpaid illness leave, or unpaid industrial accident leave. Days in paid status shall not be interpreted to mean any service performed prior to entering into a probationary or permanent status in the classified service of the District.

15.4 **BUMPING RIGHTS**

15.4.1 A bargaining unit member notified of layoff from their present classification, may have the opportunity to bump into an equal classification or may bump into the next lower classification that they have previously held and have seniority based on section 15.3.2.

15.4.2 To be eligible to bump, a bargaining unit member must: 1) possess minimum qualifications, as listed in the job description for the classification and have the greater length of service time in that classification on the date the layoff is effective.

15.4.3 Alternatives to Layoff:

- a. Any bargaining unit member may elect to accept a service retirement in lieu of layoff.
- b. If offered by the District, a bargaining unit member may accept voluntary demotion, transfer, or reduction in assigned time in lieu of layoff or bumping privileges.

15.5 **REEMPLOYMENT RIGHTS**

15.5.1 **Eligibility**

Laid-off bargaining unit members are eligible for reemployment for a thirty-nine (39) month period and shall be placed on an eligibility list and be offered reemployment in the reverse order of layoff.

This eligibility will also apply to those bargaining unit members having chosen the alternative to bumping, Section 15.4.3. The bargaining unit member accepting a voluntary demotion or reductions in assigned time in lieu of layoff

shall be considered for reemployment for an additional period of up to twenty-four (24) months for a total of sixty-three (63) months.

Bargaining unit members who accept a position lower than their highest former classification shall retain their original thirty-nine (39) month rights to the higher paid position.

15.5.2 Notification of Reemployment Opening

Any bargaining unit member who is laid off and is subsequently eligible for reemployment, shall be notified in writing by the District of an opening prior to the position being internally or externally recruited. Notification shall be made by certified service.

15.5.3 Employee Notification

Bargaining unit members shall notify the District of their intent to accept reemployment within ten (10) working days following receipt of the reemployment notice. Notification shall be made by either certified service or personal delivery to the Human Resources Office. If delivered in person, the district shall provide the employee a receipt of delivery.

If the bargaining unit member accepts reemployment, he/she must report to work on the date and time designated by the District. No benefits accrue during the break in service, but if the bargaining unit member accepts reemployment, the District shall reinstate to him/her all of his/her rights and benefits accrued prior to layoff.

Should a bargaining unit member elect not to accept the reemployment offer, they must notify the District within ten (10) working days following receipt of the reemployment notice by either certified service or personal delivery to the Human Resources Office. If delivered in person, the district shall provide the employee a receipt of delivery. Any bargaining unit member who declines an offer of reemployment equivalent or better than that when laid off is doing so with the understanding that his or her name will be removed from consideration for that opening.

15.6 EMPLOYEE ASSISTANCE

The District Human Resources Department shall provide assistance and information to impacted unit members on resume preparation and interviewing skills; career counseling and job search assistance; unemployment options, health benefits and retirement; information regarding reemployment to the District; referrals for individual counseling.

16.1 DEFINITIONS

16.1.1 **Grievance:** An allegation by a bargaining unit member (grievant), or the Association, that there has been a violation, misinterpretation, or misapplication of the existing agreement (including all appendices) which has adversely affected the grievant. The Association shall have the right to file a grievance over an alleged violation, misinterpretation or misapplication of Article 22 and, if more than one (1) unit member has been adversely affected by an identical violation, misinterpretation or misapplication of this Agreement, the Association may process a grievance on behalf of all members of the group. When such a class grievance is declared, the resolution (relief sought) shall be applicable to all affected unit members. The Association may also file a grievance on behalf of a bargaining unit member as long as both the Association and the bargaining unit member's name is on the grievance and the affected unit member signs the grievance. The term "existing agreement" shall not include Memoranda of Understanding which are not specifically incorporated into this agreement, but shall include all attached appendices. The Association may file a grievance with or without the affected member's consent when it is alleged that there has been a violation, misinterpretation, or misapplication of the existing agreement.

16.2.2 **Status of Parties Pending Outcome:** As to matters related to the procedures of this Section, the grievant will continue to follow the direction of their immediate supervisor until the grievance is resolved if it is compliant with applicable laws.

16.3 INFORMAL LEVEL

A grievant shall submit the grievance orally or in writing to the grievant's supervisor within ten (10) days of the date of occurrence of the alleged act giving rise to the grievance. If the grievance is not satisfactorily adjusted informally, within ten (10) days of the meeting or writing, the grievant may proceed to the formal level.

16.4 FORMAL LEVEL

- 16.4.1 **FORMAL LEVEL I** - Within ten (10) days after engaging in the informal process, the grievant must present the grievance in writing and in electronic format, to the supervisor and the Vice President of Human Resources, or the right to grieve the incident is forfeited.

This statement shall be presented on the proper grievance form, which includes a clear, concise statement of the grievance, the circumstances involved, the decision rendered at the informal conference, if any, and the specific remedy sought. See Appendix H.

The supervisor shall communicate their decision to the grievant and the Vice President of Human Resources in writing within ten (10) days after receiving the grievance. If the supervisor does not respond within the time limits, the grievant may appeal to the next level.

- 16.4.2 **FORMAL LEVEL II** - In the event the grievant is not satisfied with the decision at Formal Level I, they may appeal the decision in writing to the Vice President of Human Resources, who will work in consultation with the area Vice President, within ten (10) days. This statement shall include a copy of the original grievance and appeal, the decisions rendered, and reasons for the appeal.

- 16.4.4 **FORMAL LEVEL IV** - If the grievant is not satisfied with the decision at Level III, or the superintendent/president fails to respond within the specified time, the grievant may, within ten (10) days from the date the Level III decision was or should have been made, request the matter go to arbitration by notifying the Association.

The Association within forty five (45) days from the receipt of the Level IV decision or lack thereof, at the request for the grievant, shall notify the Superintendent/President and/or the designee in writing of its intent to proceed

with Arbitration of the grievance. If Arbitration is not requested within forty five (45) days after the receipt of the Formal Level III decision, the grievance will be closed.

16.4.4.1 SELECTION OF AN ARBITRATOR

The Association shall request the California State Mediation and Conciliation Service to supply a list of five (5) qualified arbitrators. The District and the Association may elect to submit a joint request for the aforementioned list of arbitrators. Upon receipt of the list, the parties shall alternatively strike a name until only one name remains. The remaining name shall be the person to arbitrate the grievance.

16.4.4.2 FEES OF THE ARBITRATOR AND COSTS OF THE HEARING

The fees and expenses of the arbitrator and the hearing shall be borne equally by the District and CSEA. Any expenses associated with arbitration which are billable to CSEA, must be authorized by CSEA prior to the start of the arbitration. If the expenses are not approved prior to the arbitration, the grievance will not proceed to arbitration. In addition, if there is a cancellation fee for the arbitrator as a result of CSEA's failure to approve expenses, it shall be borne by CSEA.

16.4.4.3 DECISION OF THE ARBITRATOR

After a hearing and after both parties have had an opportunity to make oral and/or written arguments, the arbitrator shall submit in writing to the parties, his/her findings of facts, conclusions and award. The arbitrator's award shall be final and binding on both parties.

16.5 NO RETALIATION

No bargaining unit member shall suffer any recrimination and/or reprisals as a result of acting as a grievant, party-in-interest, witness or because of participation in the grievance procedure.

ARTICLE 17 SAFETY

17.1 COMPLIANCE

The District and each bargaining unit member shall endeavor to maintain facilities according to current requirements imposed by the County, State and Federal laws, including but not limited to the County ordinances policed by County Safety Inspectors through the Central Services Department, the Occupational Safety and Health Act of 1973 (29 U.S.C. Sections 651 et seq.) administered by the OSHA Review Commission and the California Occupational Safety and Health Act (California Labor Code Sections 6300 et seq.) administered by the Division of Industrial Safety.

17.2 REPORTING

It shall be the duty and responsibility of both the District and the bargaining unit members to report any condition believed to be a violation of Section 17.1 of this Agreement. Bargaining unit members shall report in writing to the vice president for Administrative Services as soon as possible after observance.

17.2.1 The District shall investigate the allegation and take action it deems to be appropriate within the time constraints specified in the law and code section. Within thirty (30) days of the taking of corrective action, the District shall inform the bargaining unit member of the action taken.

17.2.2 No bargaining unit member shall suffer any recrimination and/or reprisals as a result of reporting any condition believed to be a violation of Section 17.1 of this Agreement.

ARTICLE 18
SAVINGS PROVISION

- 18.1 If any provision of this Agreement is held to be contrary to law by a court of competent jurisdiction and/or legislative enactment, such provision shall be deemed invalid except to the extent permitted by law, but all other provisions will continue in full force and effect.
- 18.2 In the event of suspension or invalidation of any article or section of this Agreement either party may request negotiations. Upon request, the parties agree to meet and negotiate within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE 19 CLASSIFICATION

19.1 CLASSIFICATION OF POSITIONS

19.1.1 All positions within the classified service shall be classified according to the designated title, regular number of assigned hours per day, days per week, and months per year, a specific statement of the duties required to be performed by the employees in each such position, including the skills required and the responsibility carried by that position, and the regular monthly salary of the position.

19.1.2 Job descriptions for all positions shall be maintained in the Office of Human Resources. Changes to existing bargaining unit job descriptions are a mandatory subject of bargaining and must be negotiated.

19.2 ADVANCEMENT IN CLASS

19.2.1 Unit members shall ordinarily be hired in at Step 1 of the base salary schedule. However, the District may determine an initial salary placement in a higher step upon submission by the new employee of documentation demonstrating actual prior experience warranting higher placement. Unit members shall advance one step on the schedule on the anniversary of their hire date, except classified specials, who must accrue 120 days in a year before receiving a step advancement, no less than every 2 years.

19.2.2 Advancement to each succeeding step shall be made on the bargaining unit member's anniversary date, computed to the nearest full month of service.

19.2.3 The salary schedules shall be attached to this agreement as Appendix D

19.2.4 A unit member shall become eligible for longevity pay effective at the beginning of the 7th year of the bargaining unit member's anniversary date, computed to the nearest full month of service. The longevity scale shall be attached to this agreement as Appendix G.

19.2.5 A bargaining unit member who moves from one classification to another in the same range, by competing with either internal and/or external candidates, shall be placed on the same salary step that he/she served in the prior position. (For example, a bargaining unit member serving on Step 5 would be placed on Step 5.)

19.2.6 For the purpose of this Article, vacation, leaves, or any absence authorized by this Agreement shall not be deemed an interruption of employment for the Bargaining Unit members serving on less than a twelve (12) month basis.

ARTICLE 20
RESIGNATION

- 20.1 If a bargaining unit member wishes to resign from employment, a letter of resignation should be submitted to the immediate supervisor and the District Human Resources office at least two weeks prior to the effective date of resignation. The intended effective date of resignation should be specified in the letter. The resignation shall be effective on the date of acceptance by the Superintendent/President or authorized designee.
- 20.2 A terminating bargaining unit member shall have a separation interview in the District human resources office. This interview is necessary to complete personnel records and close the member's file. Appointments for the separation interview may be made during the bargaining unit member's last workweek.
- 20.3 All bargaining unit members shall be compensated for all earned vacation allowance up to their date of official resignation. The monetary value of earned vacation allowance may be paid in lieu of carrying the bargaining unit member on the payroll.
- 20.4 A bargaining unit member who terminates employment and has used more than his/her earned leave shall have his/her last salary payment reduced accordingly.

ARTICLE 21
TRANSFERS, REASSIGNMENTS, & PROMOTIONS

21.1 For the purpose of this Article, the following definitions shall apply:

21.1.1 A “transfer” is defined as any movement of a unit member from one job site to another job site but within the same classification (job title). (For example, a Secretary I moving from main campus to off-campus site or a dean’s office to the Student Activities Center).

21.1.2 A “reassignment” is defined as any movement of a bargaining unit member from one classification (job title) to an equal or lower classification (job title). (For example, movement from a specialist to a technician classification of equal or lower salary range).

21.1.3 A “promotion” is defined as any movement of a bargaining unit member from one classification (job title) to a higher classification (job title). (For example, an Instructional Assistant Level 11 to an Admissions and Records Specialist Level 13).

21.1.4 A vacancy is not created under Title 5 when:

- 1) There is a reorganization that does not result in a net increase in the number of employees;
- 2) One or more lateral transfers are made and there is no net increase in the number of employees;
- 3) A position which is currently occupied by an incumbent is upgraded, reclassified, or renamed without significantly altering the duties being performed by the individual; and
- 4) The position is filled by a temporary, short-term, or substitute employee appointed pursuant to applicable Education Code sections.

21.2 Probationary employees shall not be eligible to apply for positions during the in-house application period.

21.3 In-House Transfer or Reassignments:

When a new position is created, or an existing position becomes vacant, current unit members who have completed their probationary employment shall be given an opportunity to apply for a lateral transfer or lateral reassignment to the vacancy prior to the recruitment being opened up to all applicants (bargaining unit members and the public) hereinafter “open recruitment”.

21.3.1 Any District initiated lateral transfer shall not affect the member’s salary. A letter with a written explanation shall be given to the member. Any changes in the unit member’s working conditions, which result from any transfer or reassignment, shall be negotiated prior to the start date.

21.3.2 The District shall notify bargaining unit members in writing when a position is open including the job site of the position. These job announcements will be sent via the District's "classified group" email.

21.3.3 Any bargaining unit member wishing to be considered for the position shall so notify the District, in writing, within five (5) working days of the internal announcement. If District testing is required in a particular classification, test results may be valid for up to one (1) year from the original test date within the calendar year.

21.3.4 Only bargaining unit members meeting the minimum qualifications as established by the job description will be considered. Lateral transfer candidates shall be considered before reassignments.

Pursuant to Title 5 of the California Code of Regulations, Section 53021(b)(1), the District may consider an in-house promotion applicant prior to the open recruitment only when the District intends to fill the position on an interim basis for the minimum time necessary to all for full and open recruitment.

21.3.5 If the supervisor chooses to interview internal lateral transfers and reassignment candidates, the interviews shall be held within one (1) week following the closing of the internal announcement. Should no internal candidate be hired through this internal process, the District shall begin an open recruitment.

21.3.6 Promotions: Eligible unit members who apply for bargaining unit promotional vacancies during open recruitment shall be given an automatic interview as long as the bargaining unit member completes the testing requirements if applicable, submits a timely and completed application, and meets the qualifications for the position.

21.4 A bargaining unit member who promotes will be placed on the nearest step on the new range that will yield at least 7.5% increase, providing this range allows it to occur.

21.5 A bargaining unit member selected for a transfer, reassignment or promotion shall serve a four-month probationary period in the new position. Serving a probationary period in a new classification does not affect a permanent unit member's permanent status in their former classification. After serving four months in the new position, the bargaining unit member shall be deemed to possess permanent status in the new position. At any time during the four (4) months in which the unit member is serving in the new position, the District may reassign or the employee may choose to return to his/her previous classification (job title), by giving ten (10) working days advance written notice of reassignment. If the employee is reassigned to his/her previous classification (job title), it will be at the same rate of pay (step & range) and the employee will be assigned the same number of hours to which he/she had been assigned in that classification (job title) prior to the reassignment.

- 21.6 Upon abolishment of a position, the District may transfer a unit member whenever it appears such transfer is in the best interest of the District. In such involuntary transfer, the Superintendent/President or his/her designee will give written notice to CSEA Chapter 584 president and the Chief Union Steward ten (10) working days prior to the intended transfer or reassignment. The incumbent may exercise his/her rights as provided under Article 15.

ARTICLE 22 ASSOCIATION RIGHTS

22.1 ACCESS RIGHTS

22.1.1 The Association, through its appointed or elected representatives, shall have the following rights and the Association and its members shall have those obligations stated in the article and elsewhere in the Agreement.

22.1.2 The Association president and the chief job steward or appointed designee shall, upon request, be given a copy of public record financial materials. The District shall provide two (2) copies of any budget or public record financial information approved by the Board of Trustees.

22.1.3.1 The Association shall have the right to use District mailbox and bulletin board spaces subject to the following conditions: All postings shall contain the date of posting or distribution and the identification of the organization together with a designated authorization by the Association president or appointed designee.

22.1.3.2 A copy of such postings or distributions must be delivered to the superintendent/president and the Vice President of Human Resources or their designees at the same time as postings or distributions.

22.1.3.3 The Association agrees not to post or distribute material, which is derogatory or defamatory of the District or its personnel. Any bargaining unit member(s), including the Association president or appointed designee violating this article may be subject to discipline up to and including termination. The District retains the right to immediately remove from the bulletin board or mailboxes any material it alleges to be derogatory or defamatory. The District shall inform the Association president or appointed designee of its action. The Association may request to meet and review the material with the District. If it is found by the District that the Association has failed to comply with its responsibilities, the District may revoke the right to post or to distribute for five (5) months.

22.1.3.4 The Association may distribute its newsletter via District mailboxes or District email and agrees that no material contained in the newsletter will be defamatory of the District or its personnel.

- 22.2.1.1 Every member utilizing release time must provide the information on the monthly absence report.
- 22.2.1.2 Unless immediate attendance is required by management with less notice [e.g. for disciplinary matter], each designated representative must provide at least one work day, or as soon as possible, notification to the immediate supervisor regarding the need for release time so that an adequate substitute may be attained.
- 22.2.2 District-Related Release Time. - 22.2.3 Negotiations. The District agrees to give release time for four (4) bargaining unit member negotiators to participate in negotiations. Reasonable time will also be allowed for travel to and from the negotiation site. In addition, during negotiations for a successor contract, the Association team shall receive two (2) hours per week to work on proposals and/or counterproposals. For reopeners, the Association team shall receive one (1) hour per week to work on proposals and/or counterproposals.
- 22.2.4 The District will provide CSEA with the personnel list for short-term employees hired in accordance with Education Code Section 88003, that will include the name, length of assignment and duties to be performed. A list of other non-bargaining unit workers hired in accordance with Education Code Section 88003 will be provided.
- 22.2.5 Grievances and Discipline

Release time for this purpose shall not be unreasonably denied. The Association president, chief job steward or their appointed designee shall also send an e-mail to the Vice President of Human Resources in order to notify the Vice President of the potential grievance.

22.2.5.3 The Association president, chief job steward or an appointed designee shall provide notice as provided in 22.2.1.2 above to his/her immediate supervisor regarding the need to obtain release time to investigate a potential grievance so that an adequate substitute may be attained.

Use of the facilities shall not interfere with school operations.

22.2.6 Board Meetings. The Association President or his/her designated representative shall have the right to use release time to attend board meetings for the purpose of representing the bargaining unit members where board meetings are held during the chapter president's or his/her designated representative's normal working hours.

22.2.7 CSEA Conference. The District shall provide up to five (5) days of paid release time each for a maximum of two (2) CSEA unit members, to attend the annual CSEA conference. 22.2.8 Union-Related Release Time. The Association, its Officers and designees shall be granted release time of 567 hours per fiscal year in order to conduct official CSEA business, as described below. Each year, CSEA may request a report of the hours used at the end of December.

22.2.8.1 Release time may not be carried over from one fiscal year to another. If the association exceeds the allocated release time, the Association President, Chief Union Steward, or designee shall be required to use personal leave to conduct official CSEA business.

22.2.8.2 The Association President shall have the right to use this release time to conduct union business in addition to other provisions of this article. A designated location shall be provided to the Association President for the purpose of meeting with bargaining unit members during their lunch, break, or before and after their work day.

22.2.8.3 Additional release time may be granted to unit members for local meetings in special circumstances with prior approval of the superintendent/president.

22.3 COLLECTION OF CSEA MEMBERSHIP FEES

22.3.1 Upon receiving written authorization from CSEA, the District shall deduct from the employee's pay, without charge, the dues for those employees who are members of the bargaining unit. CSEA will provide the District a list of new and withdrawing unit members and the amount to be withheld from each after they are processed by the Association.

22.3.2 CSEA shall indemnify and hold harmless the District against any and all liabilities, claims, or actions which may be brought against said District or the District Board of Trustees individually or collectively, its officers, employees and agents, for any claims made by the employee for deductions made in reliance on information provided by CSEA to the District to cancel or change membership dues authorization, including reimbursement for all costs, expenses, fees and judgments incurred by the proceedings arising out of and in connection with this Article.

22.4 EXCLUSIVE RIGHTS

During the term of this Agreement, the District agrees not to negotiate with any other organization on matters upon which CSEA is the exclusive representative and which is within the scope of representation. The District further agrees not to negotiate with individuals of the bargaining unit on any matter within CSEA's scope of representation. CSEA agrees not to negotiate privately or individually with the Board of Trustees, or any person not officially designated by the District to act on its behalf and agrees neither CSEA, its officers, nor agents, will attempt to negotiate privately or individually with the Governing Board or any person not officially designated by the Governing Board as its representative.

22.5 OBLIGATIONS

22.5.1 Recognizing that it is the District's duty under the EERA to give written notice to the exclusive representative prior to taking any action to modify the bargaining

unit, the exclusive representative recognizes its obligation to demand to bargain upon being given notice of a proposed change in the bargaining unit. The demand to bargain will be made timely and negotiations will commence within fifteen (15) days.

22.5.2 Exclusive representative refers to the CSEA Chapter 584 president, Labor Relations Representative and chief job steward or appointed designee. The board agenda will not be considered as written notice.

22.5.3 Recognizing that it is the District's responsibility to take the following steps prior to meeting with, and/or questioning a bargaining unit member on any matter that involves discipline, could lead to discipline, or that the unit member reasonably feels might lead to discipline, the District agrees that all supervisors and/or managers shall:

22.5.3.1 Inform the unit member of the reason for the meeting and/or questioning. (i.e., work performance, tardiness, absenteeism, insubordination, etc.)

22.5.3.2 Inform the unit member that he/she has the right to be represented at the meeting by a designated CSEA representative, if he/she reasonably believes the meeting might lead to discipline.

22.5.3.3 Allow the unit member a reasonable amount of time to contact his/her designated CSEA representative and make arrangements to have the representative present before questioning.

The bargaining unit member shall remain on paid administrative leave while the investigation is being conducted, a decision is rendered, and subsequent action is taken. All of the aforementioned shall be conducted in a timely and expeditious manner. When disciplinary action is proposed, the District shall give the bargaining unit member a Notice of Intent to Discipline setting forth the cause of the action, the specific acts or omissions upon which the proposed discipline is being based,

24.5.7.2 Disciplinary Hearings

All disciplinary hearings shall be conducted by a neutral hearing officer. A request for a list of five (5) qualified hearing officers will be submitted to the State Mediation and Conciliation Service by the District. The hearing officer will be selected from the aforementioned list by alternate strike-off between the District and CSEA or the unit member/representative within ten (10) working days of receiving the list of qualified hearing officers. The first strike-off will be determined by chance, then each party will strike one name from the list until only one name remains. The remaining hearing officer will conduct the hearing. The hearing shall be conducted at the earliest availability of the hearing officer. The hearing shall be conducted under rules of procedure established by the hearing officer which are consistent with the law. Both the District and CSEA or the unit member/representative shall have the right to call witnesses, introduce evidence, cross-examine any witness and make motions or objections relating to the proceedings.

- 24.6.1 After the Board of Trustees receives the findings of facts, conclusions of law from the hearing officer, it shall decide whether to adopt, reject, or modify the findings and conclusions by decreasing the recommended discipline, or increasing the recommended discipline not to exceed the discipline initially sought by the District. The Board of Trustees shall base its decision solely on the written record.
