

Local Degree General Education Pattern Policy Update –

May 1, 2025 – APPROVED

To maintain continuity and avoid disruption to enrollment, all courses included in the VVC local General Education (GE) pattern based on CSU GE-Breadth and IGETC as of the 2024–2025 catalog year will be retained. Starting 25-26 courses approved under Cal-GETC, as well as courses meeting the CSU U.S. History, Constitution, and American Ideals (AI) requirement, will be incorporated into the appropriate areas of the VVC local GE pattern.
