August 11, 2025**

In consideration for the important contributions part-time faculty make in the classroom in support of student learning, the District provide stipends to part-time faculty for virtual and on-campus professional development opportunities offered by the College including department meetings, and other strategic initiatives for the 2025-2026 academic year. [This does not include All College Day.]

- The stipends will be paid as available to part-time faculty members who attend pre-approved, virtual and on campus professional development opportunities in support of student learning, effective teaching, and/or student success.

Payment will be processed through the Office of Instruction upon the part time faculty's completion of the online Professional Development application that is to be submitted and approved in advance of attendance.
