WITHDRAWAL POLICY

A student may drop or withdraw (or be dropped by an instructor) before the 75% point of completing the class. Students may not drop or be dropped after this point, and instructors must issue a grade if the student remains on the class roster beyond this point. A student who drops a class (or who is dropped by an instructor) on or before 20% of the course will have no record of that class appearing on their permanent transcript, although they may still be responsible for payment of fees. Drops that occur after 20% of the course and on or before 75% of a course will result in a W symbol being entered. Students may be dropped for lack of attendance or "good cause" as defined in [California Education Code, Article 3, Section 76033](#).

Students should not rely on instructors to drop or withdraw them from classes. Failure to officially drop or withdraw by the deadline may result in an F (Failing) grade or FW (Unofficial Withdrawal) grade. Refer to the Add/Drop policy and Important Dates and Deadlines listed on the Admissions & Records [Register](#) page.

STATEMENT OF ACCESS

Students with accessibility needs are encouraged to meet with instructors to discuss the opportunity for academic accommodation and referral to the ACCESS Resource Center ([AP 5140](#)) and services per Administrative Procedure ([AP 3440](#))

(Class attendance is not a measure of performance or proficiency. Whether a student is just physically present in the class is not a valid basis for grading. Reference Title 5 Section 55002 of the California Code of Regulations: (A) Grading Policy. The course provides for measurement of student performance in terms of stated course objectives and culminates in a formal, permanently recorded grade based upon uniform standards in accordance with section 55758 of this Division. The grade is based on demonstrated proficiency in the subject matter and the ability to demonstrate that proficiency, at least in part, by means of written expression that may include essays, or, in courses where the curriculum committee deems them to be appropriate, by problem solving exercises or skills demonstrations by students.)
