- Advisor Sewell: You really need to be proud of yourself and others. Everyone else thinks highly of you, why not embrace it. You are in competition with yourself and keep going forward. As a group, you do a lot. Your relationship with the deans, faculty, staff and everyone else is important. Tuesday will be the testing day for the new ID cards with QR code printed on it. Will start the process of getting the QR code readers. The hope is QR codes will be implemented everywhere on campus. Got asked to move retreat to Lake Arrowhead, checked sources, and are going back to Big Bear. April Fools Day is Financial Aid Awareness Day. March of Dimes is on Saturday May 9th, 2026. Got a request for Barstow Community College to go to Regional Public Safety Training Center to see what it's like. This weekend keep Angela P. in your prayers, she lost a family member.

17.0 Mentor Forum

- Mentor Isbell: Saw a few of you in the office this week, wish to see more of your faces, spoke on some things about Iwo Jima and some interesting facts, the sign out front where the traffic from Bear Valley onto campus is, will now be a stop sign and a speed bump. It will be patrolled and enforced. Winter semester is coming to an end, and Spring will be starting. Don't fall behind, DC is 5 weeks away. Make sure you are managing your time. If you are traveling to DC you need to let professors know immediately and as soon as possible, don't surprise them. If you are traveling to SSCCC, talk to that professor and get the work ahead of time if possible. Now is the time to start taking vitamins if you are travelling. Don't forget to get medication beforehand. You are traveling for a reason, please be mindful. Pack warm weather clothes for DC. Once Advisor Sewell purchases your flight tickets, you are locked in. You are not going to be flying first class, nor will you be flying with 2 bags. It will be 1 bag per person. Remember to be good to yourselves, there are a lot of negative things in the world. There are a lot of negative things that will bring you down. Remember that you are good enough, smart enough, and you are here for a reason. Don't forget you are special. Do your daily affirmations, can tell you are not doing them by the conversations he's had. Be good to yourselves and others. Just know your presentation, don't memorize it.
