- President Reyes: Attended the new faculty orientation, met new VPs and Deans, spoke about ASB to tutors, new podcast coming soon with the GSA president, next week's meeting will be moved to Thursday at 4:30 PM, March of Dimes is on May 9, 2026 and a time has not been given yet, and attended graduation committee. Graduation will be held June 17th, 2026 at 6 PM at the Toyota Arena.

- Pulaski: apologized for not being in the office as much this week, she is dealing with some personal things. Apologizes for getting emotional, lost her aunt this week and is dealing with the aftermath of her death. Did

#### **16.0 2<sup>nd</sup> Public Forum (Limited to 3 Minutes/Speaker)**

#### **17.0 Mentor Forum**

- Mentor Isbell: Spoke about the DC trip, a list of students on the list who might travel have been turned in, the finalized list for DC has not been made, SSCCC GA list has been made, only 6 students will be attending that, super important to have everyone on time for our meetings, things are time sensitive, even though zoom was offered this one time, it will not be offered all the time, the office is not a place to hang out and chat, it is a business place first, students might walk off if no one is paying attention, we can not have non-council members in the office, everyone will be re-trained on how to do ID's once the system is up and running, Graduation gifts need to be talked about, graduation is right around the corner, don't miss out on it, graduation list needs to be formed and stoles need to be made, currently everyone will have to pay for parking at the Toyota Arena for graduation, there is talk about taking VVC buses to commencement ceremony, take care of yourselves, remember presentations have to be ready next week.
