- Dr. Phil Clegg will be one of the presenters in Big Bear. Talked about previous goals that had taken place around campus, and how long it took to get them up and running. Dr. Amy Azul will categorize the goals. Room assignments will be given out. You will be leaving at 6 AM and there will be a coffee stop. Bought some extra fans in preparation for this weekend. Today before you leave please pick up your shirts. It will be hot, so please plan accordingly. The majority of the eating will be outdoors. There will be 2 morning breakfasts. Saturday you will have Italian lunch and speeches will begin. Tropicali is a place you will be eating lunch on Thursday. Color code will then take place, and then time for dinner at 7pm. Friday's dinner will be at 6:30pm. Friday morning breakfast will be served at the hotel. Your best friend will be an administrator. The Inn at Big Bear Lodge is where we will be staying. Bring money to spend on yourself. Be comfortable please. You will be held accountable for being late and for your actions. We will not start until everyone is there, so if we fall behind we fall behind as a group. Come Saturday we have a morning breakfast again and will be doing a group activity. We will be doing the speeches at 11:30AM on Saturday, or we might begin them during lunch. You are the author of the book. It is how you sell the book to the audience. This should be fun. We will try to find a little free time. Please if you have an allergy to anything for the pizza on Saturday, let Mentor Isbell know. If you need a special milk, let me know. Sunday should be a fun day. A possible hike on Saturday morning at 6 AM. You are able to go on that hike with the management team. Do not be late to the meeting. If you leave the hotel without permission you will be driven home.
